

Summer Camp Oneonta Kids 2026

Dear Parents,

We would love for all our students to participate in our enhanced 8-week summer camp this year! We are creating a wonderful enriching program with an emphasis on advancing academics and social/emotional skills to suit every student; we know they are going to love it! We listened to what was important to you; a summer program that is rich in academic content that will reinforce & master skills learned and get ready for the next school year. Teachers will start working on individualized academic plans that will include Language, Math & Reading as soon as each child's summer application is turned in.

Returning this summer; the very sought after Robotics Program by Bricks 4 Kidz. Students will build robots with Legos; designed by Engineers, Teachers and Architects to promote S.T.E.M. growth. This year, in addition to all the exciting in-house entertainment, we have included a Tennis camp by Tennis Kids, Music with Mr. Mario, Dance Class by DanceFit, Hapkido by Kim's Hapkido, Soccer clinic by Coach Jack and Basketball clinic by Coach Josh. Please see the summer calendar for daily activities that will include all in-house assemblies & field trips (away) to Discovery Cube, Splash & Alhambra Water Parks and the Pirate Show.

The cost is \$900.00 per every 4-week session (no daycare); this fee is for early bird registrations (for Oneonta students only) until the end of May. If you need extended daycare, it will be an additional \$50.00, totaling \$950.00 every 4 weeks. Students may attend weekly or in a 4-week session. Oneonta students registering after May 31st, must pay the visiting student price of \$950.00 + \$50.00 = \$1000.00.

The summer fee covers all in-house assemblies, activities & some field trips.
