

Summer Camp for visiting students 2026

Dear Parents,

We welcome all elementary students to participate in our enhanced 8 weeks of summer camp. We have created a wonderful program to suit every student, and we are certain everyone will love it! We must inform you that 'kindness, happiness and inclusion' is the culture of our school, and we hope every new student will work towards abiding by them. Thank you for your cooperation in informing your children in advance!

We have designed a summer program that is rich in academic content so that children won't forget the knowledge and skills attained during the school year. We are going to create an individualized summer enrichment program for every child that participates. Teachers will evaluate each student & work on an individualized plan that will include Language, Math & Reading.
