

Oneonta Preschoolers Summer Camp 2026

Dear Parents,

We would love all our preschool students to participate in our stimulating 8 weeks of summer camp this year. You requested a strong academic, entertaining and exciting summer program, and that's what your children will get this summer. Teachers will send out weekly schedules (via the DOJO app) every Friday (for the week ahead) to keep you informed of all the exciting activities the children will be doing.

We listened to what was important to you; a summer program that is rich in academic content so that your children won't forget the knowledge and skills learned during the school year. Our teachers will continue to work with your children, setting individualized goals throughout the summer. Some children who are TK & Kindergarten bound in the fall may move up to the elementary building in summer, helping them ease out of nap time & get ready for a full day schedule in the fall, others will do so when school starts in the fall. Some little preschoolers will also move from preschool classrooms to prekindergarten classrooms, helping them to get adjusted to being in their new environment before fall.

Our preschoolers will enjoy all the exciting in-house entertainment, activities and other fun lessons planned for them. Many new students will be joining us this summer; we know our students will help them get adjusted by making friends, being good helpers and showing them the ropes.

Please fill out the **Summer Camp Fee Schedule** and turn it into the office as soon as possible. [Payment is not due now.](#)

We hope all our preschoolers will spend their summer with us; we guarantee a fun and exciting time for all! If there is anything I can do to help you decide, please feel free to call me. I will be very glad to help!

Sincerely,

Ms Fiona ☺
