Welcome to a brand-new school year!

I'm Ms. Theresa, and I am so excited to spend this year learning, exploring, creating, and growing alongside your little ones! My goal is to make our classroom a place where every child feels safe, loved, supported, and excited to come to school each day. I want our year together to be filled with curiosity, laughter, learning, friendship, creativity, and plenty of fun adventures along the way!

This year marks my 11th year at Oneonta, and I feel incredibly lucky to begin another fun-filled TK adventure. I have completed my coursework in Early Childhood Education and earned my Montessori certification through the North American Montessori Center.

When I'm not at school, I'm a busy sports mom to my 11-year-old son, Jayden! Outside of the classroom, you'll usually find me coaching one of his many sports teams, listening and dancing to music, enjoying outdoor adventures, or spending time with family.

This year, our classroom will be a place where curiosity is encouraged, creativity is celebrated, and confidence grows every day. I believe that some of the most important things we can teach our children are how to be kind, independent, confident, curious, and caring members of our community; and the best way to help them grow is by working together as a team! I truly believe that school is a partnership between teachers, children, and families, and I look forward to getting to know each of you throughout the year. You can always reach me through ClassDojo or by email at mail: theresa@oneontamontessori.com. Please never hesitate to reach out with questions, concerns, or anything that will help make your child's experience a happy and successful one.

One very important school safety reminder: All children must be inside their classrooms before 9:00 a.m. This is a safety guideline advised by the Alhambra Police Department, so please make sure your child arrives with enough time to be settled in the classroom before 9:00.

I can't wait to welcome you all into our classroom for Back to School Night on Friday, September 4th! It will be a wonderful opportunity to meet, ask questions, learn more about our classroom, and get ready for the exciting year ahead. Here's a year filled with big discoveries, little victories, lots of laughter, and memories we'll make together. I'm so excited to have you as part of our OMS family! Let's make it a wonderful year!

*With love,
Ms. Theresa*
