

Lincoln

Washington

Holiday: School will be closed on Monday, February 16th
In honor of Presidents Day

**VALENTINE'S DAY -
Friday, 13th**

Classes will celebrate with a healthy snack party; sign ups to follow shortly. Students may bring Valentine cards & trinkets etc to be distributed to friends. Elementary students may have a free dress day instead of the school uniform.

Happy Valentine's Day!

**GUNG HAY FAT CHOY
Lunch parties: Tues, 17th**

To celebrate this special Lunar year; Year of the Horse, all classrooms will be ordering a special Asian lunch so that our students can enjoy the day at school. Students will learn the meaning of this special occasion & make projects to celebrate the Lunar New Year.

SPELLING BEE

Congratulations to all our students who took part in the Spelling Bee this year. Pictures and names of winners are posted on our website; please make sure to look.

**SCIENCE FAIR - Friday, 6th
TK - 5th Grade**

Our students have been very busy in the month of January picking out experiments and getting ready for the Science Fair. On the morning of the 6th, students will be judged on competence, depiction of science boards, ability to answer questions, & overall knowledge of the experiment.

There will be two sessions for parents to visit and observe the students; 3:15 p.m. & 4:30 p.m. Parents are invited into the classrooms to watch while our students explain and demonstrate their knowledge of science & of their experiments. All students will receive participation ribbons. 1st, 2nd & 3rd place ribbons will be awarded to the winners. 1st place winners will also receive a Science Medallion & certificate. Good luck students: get ready to compete & amaze your parents!

POETRY MONTH

Elementary students! get your creative minds in gear... from Rhyming Couplets, Cinquains, Haikus, Limericks & freestyle poems, students in TK – 5th grade will learn how to become budding poets. Students will be made aware of the rules & mechanics of different types of poetry and will use their own life experiences to jot down their thoughts and ideas on paper, thereby creating their own masterpieces. We look forward to this competition every year as the original poems are fascinating to read!

Winners will be awarded medals and ribbons first week of March. We will post all the winners & their winning poems on our website.

CITIZENSHIP AWARDS – 1st SEMESTER

Students who showed good character and were good role models to their peers were treated to a special lunch last week on Tuesday, January 27th.

Students received Citizenship certificates and Citizenship pins at the lunch.

Class #6 - Benjamin Pacheco, Sophia Lima, Vivian Koussevizky, Harrison Ivy Cameron Lu

Class #7 - Ariel Amaya, Elena Lee, Olivia Sung

Class #9 - Sophia Yue, Jonathan Hammock, Charlotte Blanco, Lily Brooks, Clara Din

Congratulations to all the winners

SCHOOL PICTURES -THURSDAY, 19th – FRIDAY, 20th

Thursday, 19th - Preschool individual pictures and all class group pictures

Friday, 20th - Elementary (TK – 5th Grade) individual pictures

Classroom #1 – Ladybugs

Watch out – love bugs have taken over the Ladybug room! February is a meaningful month in the Ladybug classroom as we celebrate friendship and kindness while learning about important people and moments in history. In honor of Black History Month, our Ladybugs are exploring the lives of influential leaders, helpers, and heroes who made a difference through courage, creativity, and kindness. Through stories, art, and discussions, the Ladybugs are learning about fairness, respect, and celebrating differences. We are also recognizing Presidents Day by learning about leaders who helped guide our country. With Valentine’s Day right around the corner, our Ladybugs are busy spreading love – keep an eye on your mailbox for a sweet surprise!

Class #2 – Dragonflies

“ALL we need is LOVE ,” This month is about friendship, kindness & sharing as we learn the meaning of Valentine’s Day. The Dragonflies will begin a cool art project decorating friendship hearts for one another. The highlight of February is Black History Month. We will visit our school library and read about Garret Morgan, Jackie Robinson, Ruby Bridges & Harriet Tubman followed by making an educational quilt as a special tribute to African American men and women who have made significant contributions to America and the rest of the world. We will also learn about our 2 most important presidents; George Washington & Abraham Lincoln.

Class #3 – Honey Bees

Love is buzzing all around in the Honey Bee class. We will start the month off by celebrating Black History month. There are many influential people that have left their mark in society. However, the Honey Bees will blast off into space learning about the first African American astronaut Mae Jemison. The Honey Bees will gallop into the Lunar New Year celebrating the year of the horse. Children born the year the horse are known for energy, independence, and charm. We will continue the month by learning about two great leaders of this country, George Washington and Abraham Lincoln.

Classroom #4- Butterflies

The month of L-O-V-E is here, let’s give a cheer! This month we will start off strong by going over the geometric solids—cube, sphere, cone and ovoid. We will be hard at work in the language area and continue to work with the movable alphabet to create words. Money recognition, working with short bead chains, and large decimal cards is in store for us while we strengthen our math capabilities. Learning the difference between lake/island is always fun and something we look forward to! Valentine’s day is right around the corner and can’t wait to celebrate our friendships! This month we also celebrate Chinese New Year and are excited for the festivities to come!

Classroom #5 – Ms. Ernamarie

Lovely February is always an exciting-filled month! We are thrilled about the progress we have made so far this year! In Math, we’ll tackle word problems and the static and dynamic of the four operations. More complex lessons on fraction, angles and measurement . Our literary class comes alive with rhyming words and rhythm as we express ourselves freely writing poems. Grammar and mechanics continue with adverb and preposition and detailed lessons and sentence variety for writing strategies. We can’t wait to start this semester with the wonderful world of Botany and Zoology. Our budding scientists in class are up to a challenge and kick of Science Fair experiments and presentations. During the “I Love to Read Month”, we are passionate about reading while learning captivating plots, characters, and settings. Let the fun begin!

Classroom #6 – Ms. Theresa

Our little scientists are busy experimenting and can’t wait to share their discoveries at our science fair! We’re diving into new adventures as we explore Asia, celebrate the Lunar New Year, and learn about inspiring leaders during Black History Month. Along the way, we’ll continue discovering vegetables, amphibians, poetry, and more. Love is in the air, and a special surprise is on its way to your mailbox, written with love and sealed with a kiss! We’ll wrap up the month celebrating Presidents Day and last but not least, Don’t forget to practice those picture-day smiles!

Classroom #7 – Ms. MaryAnn

Happy Valentine’s Day! A busy month ahead of us, to start off our aspiring scientists are diligently practicing to show off their experiments at our Science Fair on Feb. 6th. More writing exercises will be given focusing on Poetry to prepare them for our yearly poetry contest. We will also have discussions on famous African Americans and US Presidents who helped shape History. We will also study the flora and fauna on the continent of North America and Africa are up for discussions in geography. Math lessons on percent as well as finding the area of triangle and parallelogram in geometry will keep our math wizards busy. Gong Hay Fat Choy!

Classroom #9 - Ms Jessica

Love is in the air! Our Room 9 friends are excited and gearing up for the things we will be learning and celebrating this February. We are looking forward to learning about the traditions of Valentine’s Day and celebrating friendship with one another. We kick off this month with our annual Science Fair! Our students have been practicing and are looking forward to presenting findings from their experiments! As this year is the Year of the Horse, we will be delving into celebrations, history, and traditions behind the Lunar New Year! We will also be learning about the lives and legacy of our presidents, George Washington and Abraham Lincoln, and the impact they have made for our nation.
