The Summer Camp brochure detailing activities & field trips will be available in May. Last year our elementary students engaged in a very rigorous individualized academic curriculum every morning & enjoyed summer camp activities in the afternoons. Registration flyers to be sent home shortly. Our little preschoolers enjoyed all the in-house entertainment assemblies and the exciting outdoor gross motor activities that were planned for them. They also got to move into their new classrooms, make new friends and adjust to their new schedules. We plan on doing the same this year & invite everyone to register. Come join us for a fantastic summer; we guarantee fun and excitement for all our students!

CHARITY DRIVE

St Jude Children's Research Hospital

We want our students to understand the incredible impact St Jude makes caring for children who are sick and are unable to lead regular lives. By supporting this cause, our students will learn the value of empathy and realize that they can help other children beat cancer and other horrible diseases and lead healthy lives just like them. Our teachers have come up with creative ideas and activities for their students that will allow them to raise money to reach our overall goal of \$1500. We ask that you please sign up and support our cause so we will be able to reach our goal. **We are grateful for your continued generosity and compassion! Thank you!**
