

Oneonta Montessori School

April 2026

SCHOOL HOLIDAYS - SPRING BREAK – APRIL 6TH – 10TH

REGISTRATION FOR FALL 2026/2027

We would love to invite all our students for another fun filled school year at Oneonta. We will start accepting applications from new students on April 1st. If you have not paid the registration yet, please do so ASAP so you can secure a place for your child for the upcoming academic school year.

SUMMER CAMP: Jun 22nd - Aug 14th

The excitement starts the Monday immediately following the end of the school year. Our summer program will include a very strong academic program every morning followed by enjoyable camp activities, exciting in-house assemblies, and enjoyable field trips. Fliers will be out emailed soon! Elementary students, stay tuned for the early bird special summer prices and hop on board fast!

PARENT APPRECIATION BREAKFAST

Save the dates, Thursday, 23rd & Friday, 24th.

Every year in appreciation of our wonderful parents, we invite everyone over for a meal to enjoy some special time together.

We are doing it on 2 consecutive dates at school this year, so please save the dates.

THURS, 23rd - BREAKFAST @ SCHOOL:

9:00 a.m. - 10:00 a.m. Students in class #1, 2, 3, 4

FRI, 24th - BREAKFAST @ SCHOOL

9:00 a.m.- 10:00 Students in class # 5, 6, 7, 9

We hope all our parents will attend; therefore, we are giving ample notice to make sure that everyone can make it on this special day. Please plan; we look forward to seeing all of you this year! Come join us for a scrumptious breakfast!

SPRING BREAK – SCHOOL CLOSED

Monday, April 6th – Friday, April 10th

School is closed for the week as it is our Spring break.

Childcare during Spring break:

Monday 6th - Friday, 10th, 8:00 a.m. – 5:00 p.m.

We have scheduled staff to be here to supervise students who have signed up. Cost is \$50 per day; Please make sure to send a check on the 1st day of childcare. If you haven't signed up yet, please make sure to sign up on the flier was already sent out recently.

Thank You.

CHARITY FUNDRAISER – ST JUDE'S

A big thank you for participating in all the fun activities the teachers had planned to raise money for this worthy cause. From Date Night, Karaoke, Art Auction, Spring Pictures, Ladybug merchandise and Movie Night, we raised a lot of money and surpassed our original goal of \$1500. As soon as we get a total we will let you know. Thank you for your generosity!

SPORTS DAY PRACTICES

Practices will be held at school from 2:00 - 3:00 p.m., starting week of April 13th for all elementary students, TK – 5th grade.

Tuesdays: Red Falcons & Purple Ravens

Thursdays: Golden Dragons and Green Vipers

The teams are now set and the students are excited to be practicing all the new relays and the individual events.

Sports Day in on Thursday, **May 28th**.

Team shirts have been ordered for new students & will be distributed on arrival. Starting in April, students are encouraged to wear their team shirts to school every Friday to show team spirit. The excitement is building & practices are getting to be really fun.....

GO TEAMS!

Happy Easter
Oneonta Families

Class #1 – Ladybugs

The ladybugs are out and about – springtime learning is in full bloom! This month is all about celebrating our planet, our families, and our creativity! Our little learners are exploring fun ways to help the Earth stay happy and healthy! Speaking of showing care, we can't wait to celebrate the people who help our Ladybugs grow – our amazing parents! We're looking forward to showing our gratitude at our Parent Appreciation Breakfast! After celebrating our families, it's time for colorful, imaginative pieces for our art exhibition. Here's to a joyful, artsy show.

Class #2 – Dragonflies

“Sweet April flowers do bring May flowers. “This month the Dragonflies will begin the month off by learning the importance of how to care for our EARTH as we learn about Earth Day; recycling, reduce, and reuse with hands-on activities. In geography, the Dragonflies will be introduced to a new continent, South America, and learn the different rainforest animals and what they like to eat. Last but not least we will allow our creativity SHINE throughout our classroom as we study different artists and their work as we get ready for the Art Exhibition.

Class #3 – Honeybees

The Honeybees are ready to get the month of April cracking! Spring has sprung and the Honeybees are buzzing around to continue the fun and learning. It was a blast from the past learning about the totally rad 80's. The Honeybees had so much fun going back in time. Now it is time-to-time travel back to 2026 to get ready to celebrate the Easter Holiday by decorating eggs and making a recycled Easter basket. We will reuse containers to create our beautiful baskets bringing our awareness to Earth Day focusing on this month the three R's, Reduce, Reuse and Recycle. We will be buzzing right over the continent of S America.

Class #4 – Butterflies

Spring is here and the butterflies couldn't be any more excited about the warm weather! This month we celebrate Earth Day; the children will learn about the importance of keeping our Earth clean and help preserve it. We will also be introducing Easter with wonderful crafts and activities. In science and geography, we will learn the parts of a spider and insect and some of our landforms. We will be playing the math game and learning all about scrambled sentences in the language area. This month we will also learn about different artists and create beautiful artwork for our annual art exhibit—so look out for that! The butterflies are excited & ready to enjoy and explore the many wonders of spring!

Class # 5 – Ms. Ernamarie

Spring is here and so are April showers! This month, we will focus on conjunctions, using commas in compound sentences, creative writing, and literature reading for language. In math, drills on the 4 operations, fractions, elapsed time, and word problems. We will continue with the countries of Asia and Europe, the needs of man, the 4 seasons, and the solar system for cultural arts. For Earth Day, we will learn and discuss the importance of caring for our planet Earth. We will also focus on preparing for the National standardized test in May. Let me wish everyone a very Happy Spring Break!

Class #6 – Ms. Theresa

Spring has sprung in TK and we are buzzing with excitement! We watched our tiny caterpillar friends turn into beautiful butterflies—just like magic! Now it's our turn to grow big and strong as learners. We're traveling all the way to Australia, becoming plant experts for Earth Day, and getting ready to stomp, chomp, and ROAR into our dinosaur unit. It's going to be dino-mite! Please save the date for our Parent Appreciation breakfast, our chance to thank you for being such good parents to your children. Let me wish everyone a very Happy Easter!

Class #7 – Ms. MaryAnn

As spring brings new growth and makes room for something beautiful, we continue to work harder by solving math problems involving integers, probability, percent, and more exercises on solving surface areas of different figures for math and geometry. We will also continue our lessons on the Human Body Systems and the internal parts of invertebrates for zoology. We are starting with our new book for literature; more grammar and writing exercises will keep our students busy in language. Please save the date for our Parent lunch, Fri, 24th for our Parent Appreciation Breakfast.

Ms. Jessica - Class # 9

Happy Easter! Our Room 9 scholars are springing forward into another month of learning fun! As we emphasize the importance of earth conservation, we are going to learn about the many ways we can preserve and give back to our mother planet. We will discuss our responsibility to care for our plant and the three important Rs: reduce, reuse and recycle! It's also time to get excited for our annual Art Exhibit! Our students have been enjoying learning about various artists while letting their CREATIVITY fly! We look forward to having you April 30th. Happy Spring Break everyone!
