

FREE HEALTHCARE & **FREE SPORTS PHYSICALS** IN GENESEE COUNTY

The Michigan Medicine, Regional Alliance for Healthy Schools (RAHS) operates school-based health care centers throughout Genesee County, offering comprehensive physical and mental health services to youth ages 21 and under—regardless of school enrollment.

Services include:

- Physical exams
- Immunizations and lab work
- Sick visits and asthma care
- Pregnancy and STI testing
- Mental health therapy/ counseling
- Vision and dental screenings (via the RAHS Mobile Unit)

Consent Information:

Parental or guardian consent is required for most services. However, under Michigan law, students may consent on their own to services related to mental health, sexual health, and substance use. Staff will assist with confirming consent and scheduling care.

Health Care Center Locations in Genesee County:

- Armstrong Middle School
- Beecher High School
- Carman-Ainsworth High School
- International Academy of Flint
 - Kearsley High School
- Richfield Early Learning Center
