AVID Tutors Spotlight

Meet your AVID tutors! Our AVID tutors are here to help in our AVID classes and during lunch on Tuesdays and Thursdays. Don't be shy, stop on by! If you need any homework or study help, our tutors are here for you.

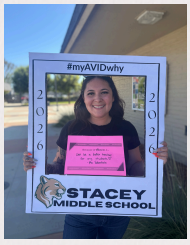

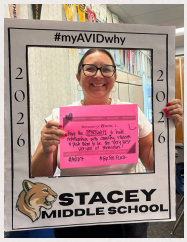

AVID Intro
Mrs. Cardenas

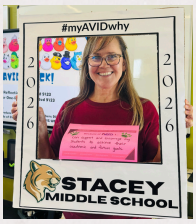

AVID 6
Ms. Valentine

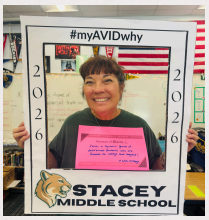

AVID 7
Mrs. Kleen

AVID 7
Mrs. Cleckler

AVID 8
Mrs. Ortega

Learning Together, Growing Stronger

We are very happy to continue growing our AVID (Advancement Via Individual Determination) program here at Stacey Middle School. We now have **four AVID Elective classes**, and our **Intro to AVID class** where students can try it for a semester to see what it's like. All of our classes are led by our **AVID trained staff.** We have many exciting events this school year, starting with **AVID Family Night on November 19th!** Bring your family and show them what AVID is all about!

AVID College/University Field Trips

Our AVID students went on a field trip to Golden West College. At Golden West College, students were able to see the automotive department, the criminal justice training facilities, cosmetology classes and so much more. GWC is a great and local option for those looking for a community college. We look forward to more college/university field trips this year!
