

Dear Parents:

Although this was a short week, we had a lot going on in the building. Our students received their first semester awards this week and an amazing 90% of our students were named as honor students. This means that 90% of our students had a first semester cumulative grade point average of 3.25 or higher. As a principal, I have never been more proud of my students. We all really missed the opportunity of having a big assembly to recognize the achievements of our students, but we are still thrilled with the performance of our students.

We have been preparing for our virtual open house and believe it will be amazing. We have put together a video that highlights our school and its culture. We also will have a presentation and an online event that will be held at 6:30 p.m. on February 4th. Information and sign-ups for this virtual event are available on our website. Please pass this information along to any prospective families that you know.

God Bless!

Mr. Detzel

1st Semester Awards – Our 1st semester awards were presented this week. A list of those honored is attached to the school e-mail sent out.
