

Dear Parents:

Finally, we have some nice weather. We had our February fire drill on Wednesday and it was 67 degrees and sunny. Hopefully, the snow is gone for the year. Thank you all again for all of your support through the pandemic, the snow days, and all of the E-Learning!

We have a lot of exciting things taking place at St. Lawrence. Our future enrollment numbers are looking very positive and with the merger set to take place after next year, I feel confident that our school is going to only get stronger. We are set to get a large sum of money from an EANS grant which offers us Covid-19 assistance. For the third year in a row, we are expanding our preschool program. For next year, we are adding a full-day class which will now give us over 40 students in our preschool classes. We are also looking to upgrade several classrooms, some technology, and offer a surprise for our middle school students. As difficult as the last year has been, I truly feel that we are moving in a positive direction that will continue to make St. Lawrence a fantastic school.

God Bless!

Mr. Detzel

New Preschool Addition - St Lawrence is excited to announce forty preschoolers have already pre-enrolled for next year! This allowed St Lawrence to add a third preschool class. Mrs. Madeline Sterchi will be joining the St. Lawrence early learning faculty next year to teach an additional four-year-old class. Mrs. Sterchi taught preschool at St. Theresa in Bright and comes highly recommended. While Mrs. Leiker and Mrs. Sterchi have a waiting list for the four-year-old classes, Mrs. Stoecklin has a few spots open for the three-year-old preschool class. If you are interested, please contact Mrs. Leiker at pleiker@sls-apps.org or Mrs. Stoecklin at jstoecklin@sls-apps.org.
