

Dear Parents:

We had our first in-person school event this week as we honored the new members of the Junior National Honor Society. It was a wonderful night and it was nice to finally get back to some sense of normalcy. As the year comes to a close, we are hopeful that the events we have scheduled will go off as planned and that next year we can return to a regular school year.

Next week we begin I-LEARN testing for the first time in two years. Please make sure that your child is getting enough sleep and is eating a nutritious breakfast.

God Bless!

Mr. Detzel

**St. Lawrence First Annual Bourbon Tasting** – St. Lawrence will be hosting its first ever bourbon tasting. The event will take place on Friday, May 21<sup>st</sup> at the Covington, KY spaceship house (the number 1 roadside attraction in the state of KY). Only 10 tickets will be sold and the cost is \$100. Each ticket holder may bring one guest. The ten ticket holders will get to taste 6 high quality bourbons, one surprise tasting, and receive an old fashioned. Everyone, including guests, will be served beer, wine, and hors d'oeuvres. The night will conclude with the Cincinnati Reds' Fireworks Show! Early next week an invite will go live and the first 10 to register will receive tickets. Be one of the first to join us for this inaugural event that promises to be a lot of fun.

**Free Tennis Camps at HVL in June** – Mr. Ben Adams is offering free tennis camps specifically for St. Lawrence students at Hidden Valley Lake in the month of June (one camp on Tuesdays for ages 10 and under and one camp on Fridays for ages 11 and over). A flier is attached and also be sent home in the Friday folder.

**Congratulations to Our Newest Members of the St. Lawrence Junior Honor Society** – Our newest members of the Junior Honor Society were inducted during a ceremony on Tuesday night. Congratulations to:

**6th Grade**

Brooke Banta\*

---

## ***Academic Corner –***

### **Here are six steps to smarter studying:**

- Pay attention in class.
- Take good notes.
- Plan ahead for tests and projects.
- Break it down. (If you have a bunch of stuff to learn, break it into smaller chunks.)
- Ask for help if you get stuck.
- Get a good night's sleep!
