

Dear Parents:

One more week to go! It is always a bittersweet time of the year, as we get ready to enjoy summer break but we also get ready to say goodbye to our 8th graders. This year's graduating class has been an absolute pleasure. They have provided great leadership during a very difficult year and a half. Our graduation ceremony will be this coming Wednesday at 5:30. Thank you to all of our 8th graders and their families!

God Bless!

Mr. Detzel

New Choice Scholarship Guidelines – New Choice Scholarship guidelines will be coming out in July. The state of Indiana has passed these guidelines and they will benefit so many more people than they have in the past. For example, this year a family of 4 would have had to make less than \$58,000 to receive Choice money. Next year, a family of 4 would have to make less than \$147,000 to receive Choice money. This is your tax dollars at work, so please keep an eye out for upcoming information and take advantage of this wonderful opportunity.

End of School Year Tips

(Continued from last week)

- 11. Ask kids for their input.** Suggest they give you five activities they would like to do locally. Have them create a “wish list” and incorporate it into your master list.
- 12. Serve together.** Research family-friendly community service projects that you could do in your city.
- 13. Triple check.** Continually review the end of school calendar. Add activities to it as you get them and remember to check the master calendar BEFORE you commit to anything.
- 14. Beat the Blues.** The end of the year can also bring on some serious blues. Keep the positive up and be the best parent supporter you can be!
