

BRIGHT HORIZON ACADEMY PARENT/GUARDIAN HEALTH AND SAFETY AGREEMENT FOR IN-PERSON INSTRUCTION FOR THE 2021-2022 SCHOOL YEAR

I have read, understand, and agree to the following terms and conditions:

1. **COVID-19 Safety Plan.** Parent/Guardian acknowledges that he/she has received and reviewed BHA's Guidebook [COVID Policy \(flippingbook.com\)](https://flippingbook.com)

Parent/Guardian agrees to review the Bright Horizon Academy's COVID-19 Safety Plan with his/her child(ren), including:

- a. Face Coverings
- b. Self-screening
- c. Physical Distancing
- d. Arrival/Dismissal
- e. Lunch/Breaks
- f. Healthy Hygiene Practices

In order to prevent the spread of COVID-19, BHA will also review these rules and protocols with students throughout the school year.

2. **Daily Home Health Screening of Child(ren).** Parent/Guardian agrees to screen his/her child(ren) for COVID-19 before taking the child(ren) to school each day. Specifically, Parent/Guardian agrees to do all of the following:

- a. Parent/Guardian shall screen child(ren) for any of the following symptoms associated with COVID-19: dry cough, shortness of breath or difficulty breathing, chills, fatigue, muscle or body aches, headache, new loss of taste or smell, sore throat, congestion or runny nose, nausea or vomiting, diarrhea, or a new rash. Parent/Guardian agrees that if child(ren) presents with any of these symptoms, Parent/Guardian will not send child(ren) to school.
- b. Parent/Guardian agrees that if the child(ren) has a fever of more than 100 degrees, Parent/Guardian will not send the child(ren) to school. Parent/Guardian further understands and agrees that his/her child(ren) will not be sent to school if the child(ren) has been administered medication for the purpose of reducing a fever within the last 24 hours.
- c. In the event unvaccinated child(ren) has been exposed to anyone who has tested positive or are presumed positive for COVID-19, Parent/Guardian shall notify BHA and follow protocol as per page 6 of BHA's COVID policy (see flip book). Parent/Guardian understands that his/her child(ren) will not be able to return to school until permitted by BHA in compliance with direction from the San Diego Health & Human Services Agency and the San Diego Public Health Order.

3. **Health Screenings at School.** Parent/Guardian understands and agrees that all students shall undergo the following health screening upon arrival at school each day and potentially at other times during the school day as necessary to prevent the spread of COVID-19:

- a. Student's temperature might be taken using a touchless IR thermometer upon entering school property.
- b. Students will be monitored throughout the day for signs or symptoms of COVID19. Any student exhibiting symptoms of illness throughout the day will be sent home.

4. **Face Coverings.** Parent/Guardian understands and agrees that unless exempt, students in grades TK – 12 must wear face coverings. Parent/Guardian understands and agrees that his/her child(ren) may be excluded from school if they refuse to wear a face covering consistent with the rules set forth in BHA's COVID-19 Safety Plan.

5. **Exhibiting Symptoms at School.** Parent/Guardian understands and agrees that if his/her child exhibits COVID-19 symptoms during the school day, Parent/Guardian will pick his/her child(ren) up from school as soon as reasonably possible but no later than within one hour after being notified by the school. When Parent/Guardian arrives at school, Parent/Guardian will call the school office and remain in his/her vehicle.

6. Disclosure to Help Prevent Community Spread of COVID-19. Parent/Guardian understands and agrees that if his/her child(ren) tests positive for COVID-19 or if BHA otherwise reasonably suspects his/her child(ren) is infected with COVID-19, BHA is required to notify the San Diego Health & Human Services Agency.

Additionally:

- a. In order to conduct contact tracing, BHA may be required to contact the child(ren)'s close contacts at school who may have been exposed to the virus. To protect student privacy, BHA will only inform close contacts that they may have been exposed to someone with the infection. BHA will not disclose the identity of the child(ren) who may have exposed them.
- b. To help protect against community spread, BHA will be performing its own contact tracing. Parent/Guardian agrees for BHA to ask his/her child(ren) and Parent/Guardian questions about everyone within the school community who child(ren) may have had close contact with during the timeframe they may have been infectious.

7. Nondiscrimination. BHA prohibits discrimination against any student who has been diagnosed with COVID-19, whose family member has been diagnosed with COVID-19, or who is perceived to be a COVID-19 risk. If you feel your child(ren) is being discriminated against as a result of COVID-19, please notify Mr. Muhammad Qassimyar or Ms. Hanan Deeb immediately.

8. Responsibility to Quarantine. Parent/Guardian understands that BHA may direct his/her child(ren) to quarantine either because his/her child(ren) is suspected of having COVID-19 or because his/her child(ren) has been in close contact with someone suspected of having COVID-19.

If directed to quarantine, Parent/Guardian understands and agrees to the following:

- a. Students who are required to quarantine, but are well enough to participate will be expected to complete an independent study contract for the period of quarantine.
- b. Students who are required to quarantine may not return to in-person instruction until permitted to do so by BHA in compliance with direction from the San Diego Health & Human Services Agency and the San Diego Public Health Order.
- c. If an entire cohort (class) is quarantined, teachers will provide remote learning through synchronous and asynchronous methodologies.

9. Visitors. Parent/Guardian understands that due to the current public health emergency, nonessential visitors will not be permitted to be on campus. Only staff, students and essential visitors may access campus. (Page 10 flip book)

10. Recommended At-Home Cleaning Procedures. In order to prevent the spread of COVID-19, BHA encourages Parent/Guardian to frequently wash child(ren)'s commonly touched items such as backpacks, lunch boxes, supplies, water bottles, and clothes. Cloth face coverings should be washed daily.
