

# SpringWater Weekly

Sept. 21st, 2019

Classrooms are humming along and students are beginning to find their stride. We had an amazing curriculum night and enjoyed a perfect evening on the field with pizza, [live music](#) and a beautiful sunset. This week we are taking some time to focus on Care of Place. Our place includes Springwater, the Clear Creek Natural Area and the world around us. Last week our Green Team was moved and motivated by the words and call to action by Greta Thurnberg, several participated in the Global Climate Strike. Let's find ways to go out of our way to make our school, community and world just a little better for us having been here.

## **Student progress updates-Sept. 23rd**

Teachers will be updating student progress information in Jupiter grades this week. Please be looking for an email from teachers with directions about how to access this.

## **Friday Field Study training--Sept. 27th @ 8:30 STEAM room**

We have our second Friday Field study this week. If you are planning on helping with Friday Field study this year, please join us for a brief meeting to review structures, student expectations and safety.

### **Community Involvement survey**

Springwater's mission includes a statement regarding the involvement of every family in the Springwater community. We realize that there are a variety of schedules and expertise among our families. We are up to 71 families out of 128. We are going to start bugging folk by phone soon, so please find some time to complete this survey, only one person needs to complete per family. This is a link to the [survey](#).

### **Parent Council**

Our first parent council meeting will be Sept. 26th @ 6:30 at the Wild Hare. Everyone is welcome. Please contact Becky Sharpe or Emily Lewis if you have questions or would like to be added to the parent council email list.
