

### **About the Coach:**

- Since High School I have been involved in plays, hosted talent shows, competed and won in Dramatic Acting Competitions and occasionally perform at non profit organization events.
- During senior year of high school I auditioned and was accepted into the California Summer Arts Program and selected into their Scholarship Program in 2009.
- Attended the American Musical and Dramatic Academy of Los Angeles 1 year and 1/2 where I had the opportunity to work with professionals currently working in Hollywood and the entertainment industry.
- Involved at the Grossmont College Speech and Debate Team for 3 years and won two 2nd place Silver Awards at the California State Forensics Competition in 2011-2012 Dramatic Interpretation.
- Involved in Community Theatre Plays and hired at the Jacobs Center for their lead actress role in the play "HEROES" written by well-known artistic performer, creative writer, and director Gill Sotu in 2015.
- Perform at Spoken Word events inside and outside of the community.

It is my initial goal to prepare students with the skills and techniques in speech and performance with confidence in a fun, educational, full focused interactive way. This speech performance class will challenge students to be better speakers and guide them to take direction and criticism. It is my passion to work in acting and theatre and I would love to provide an environment where our Muslim youth can feel safe to express themselves and challenge their potential in the area of public speaking and performance.

## Parent & Student Contract

\_\_\_\_\_ I understand the importance to be on time to rehearsal and will contact the coach ahead of time if I will be absent for rehearsal.

\_\_\_\_\_ I accept to take responsibility to work on my material.

\_\_\_\_\_ I understand that BHA has limited space that is shared with ICSD. Rehearsal time and place may change at the last minute and I need to accommodate accordingly.

\_\_\_\_\_ I agree, in the spirit of speech and performance that all creative ideas and work must come from the coach and team members.

\_\_\_\_\_ I realize that I need to communicate any concerns that arise to the COACH in a timely manner so that the situation can be handled quickly for the benefit of the group and all parties.

\_\_\_\_\_ I realize that my child's coach will be contributing a significant amount of time and effort to provide a rewarding experience for the group. I will try to be as cooperative and helpful as possible.

\_\_\_\_\_ I understand and accept to participate for the final performance.

\_\_\_\_\_ I release permission for my child to be photographed and recorded for BHA advertisement.

\_\_\_\_\_ I understand that there are no refunds upon registration and if I miss more than 5 rehearsals (upon the coach's decision) may forfeit my participation in the class or final performance.

\_\_\_\_\_ I take full responsibility to pick up my child on time (5:00 PM) and no later. I understand that the coach has other commitments and is not responsible to provide child care. THERE IS NO AFTERSCHOOL after 5:00 PM.

\_\_\_\_\_ I agree to inform the coach of the authorized pick up guardian if I am unable to do so.

\_\_\_\_\_ I agree to discuss all items listed above with my child.
