

Dear Parents:

I am sorry that every week I begin this newsletter with a Covid update, but unfortunately, it is a sign of the times. Thank you all so much for your support on this extremely polarizing issue. Please know that everything we do is done with the best intentions and with the safety of our school family in mind. The archdiocese had 75 positive cases in the schools at this time last year. This year, there have been over 250. Even though Dearborn County has been in the orange, our school continues to have a very low rate. With that in mind, keep doing what you are doing, continue to self-monitor and keep students home who aren't feeling well or who start to exhibit any symptoms. We are all in this together!

We are very much looking forward to our Grandparents' Day next Friday. Although it will look a little different, we are excited about hosting this event again after having to cancel it last year due to Covid. We will also have our Book Fair next week. We will be limiting the number of people that are permitted to enter the fair at one time and everyone who attends must wear a mask. It should be a great week!

God Bless!

Mr. Detzel

Students Entering the Building After School – Students may not enter the building after 3:30 p.m. If they leave something at school and cannot get it before 3:30, they must wait until the next school day to retrieve it.

Girls on the Run - Thank you to those who signed their girl up for Girls on the Run. The coaches are excited about uniting two great Catholic schools and meeting each and every girl from St. Lawrence and St. Mary's. We have hit the maximum our team is allowed with 16 girls. We are excited to embark on this journey in the next ten weeks together. We are so much more than a running program; we inspire girls to be joyful, healthy, and confident with a fun curriculum that integrates running into the lessons. Parents/Guardians will be receiving an email and a phone call from a coach prior to this Monday's first practice with more details. Our first practice will be meeting at the Lawrenceburg Community Center at 3:15 and run until 4:45. There will be a quick parent/guardian meeting afterwards.
