

Dear Parents:

It was wonderful seeing our grandparents at Grandparents' Day. Although this was not a typical Grandparents' Day, we are very blessed that we were able to host this event and honor these special people in our families. We would like to thank the PTO for all of their work in putting this event together. A big thank you also goes out to Mrs. Weller and her parent volunteers who made the St. Lawrence Book Fair so successful.

Tonight is our first ever St. Lawrence Movie Night, which will take place in the school parking lot. Bring your chairs/blankets and snacks and drinks and watch the classic film, *The Wizard of Oz*. Our 8th graders will be having a bake sale and selling drinks to raise money for their 8th grade trip. The gates open at 8:00 p.m. and the movie starts at dusk.

God Bless!

Mr. Detzel

Support Homework Expectations

Homework in grade school reinforces and extends classroom learning and helps kids practice important study skills. It also helps them develop a sense of responsibility and a work ethic that will benefit them beyond the classroom.

In addition to making sure your child knows that you see homework as a priority, you can help by creating an effective study environment. Any well-lit, comfortable, and quiet workspace with the necessary supplies will do. Avoiding distractions (like a TV in the background) and setting up a start and end time can also help.

While your child does homework, be available to interpret assignment instructions, offer guidance, answer questions, and review the completed work. But resist the urge to provide the correct answers or complete the assignments yourself. Learning from mistakes is part of the process and you don't want to take this away from your child.
