

Dear Parents:

We made it to the end of the 1<sup>st</sup> quarter! Thank you all so much for all of your support and cooperation. It has been another interesting start to the school year, but things have run relatively smoothly considering all of the challenges that this year has presented.

We are excited to announce that we will be hosting all of the St. Mary's grades after we return from fall break. This will be a great time to make new friends and to start to get our new students acclimated to our building. We will also be celebrating a Mass together with St. Mary's in the near future.

Have a blessed fall break!

God Bless!

Mr. Detzel

**Halloween Luncheon Forms** – If you did not return your Halloween Luncheon forms, please do so as soon as we return from fall break. These are needed so we can order the correct amount of food.

**Parent/Teacher Conferences** – Unfortunately, due to the pandemic, Parent/Teacher Conferences will once again be held virtually. Teachers will be sending out information to you to set up these conferences.

**Report Cards for the 1<sup>st</sup> Quarter** – Report cards for the 1<sup>st</sup> quarter will be available on Jupiter on October 22<sup>nd</sup>.

**Oktoberfest** – Come to the DC Catholics South Three Parish Oktoberfest Event on Saturday, October 16<sup>th</sup>, following Mass. The event will take place in the St. Lawrence Church parking lot. There will be dinner (accepting free will donations), a beer garden, live music from Stoned Blue, a family scavenger hunt, kids' games, a corn hole tournament, and Dan the Balloon Man from 7-8:30. Join everyone for fun, food, and fellowship.

**St. Lawrence LIVE - Thank you for your support!** - In just over two weeks, we'll host our 3rd annual St. Lawrence LIVE event. It's amazing to think that it was just 2019 when this event replaced Sunday night Bingo. Many of our St. Lawrence families can attest to the countless required hours spent as Bingo volunteers. We're so glad to have created a more life-giving event to support our school. And we're glad we could give all of you time back to spend with your families. But just because Bingo is gone, doesn't mean we don't need your support. If you've not yet participated in some way toward the success of St. Lawrence LIVE, there's still time. Thank you!
