

Dear Parents:

We had another great week at St. Lawrence School. We concluded our visits from the St. Mary's classes and it was awesome to see how well all of the students interacted with each other. I truly believe that this merger of two great schools is going to benefit everyone involved. It is like a marriage of two great families to form one new, holy union. We will be able to still offer individual attention to our students while offering more opportunities for everyone because of the increase in our enrollment.

The Halloween Parade and Luncheon was also a big success. Everyone had a lot of fun and the costumes were quite impressive. Thank you to the 7th grade and everyone else that made this such a special day!

God Bless!

Mr. Detzel

St. Lawrence LIVE – This event was a tremendous success! It was so much fun and raised an enormous amount of money for St. Lawrence School. Thank you to everyone that put this together and that contributed in any way, shape, or form.

Shorts or Skorts – Just a reminder that starting November 1st, shorts or skorts will no longer be permitted to be worn.

Boots – We have seen several young ladies wearing boots to school with heels. This is concerning because they still are going out and running around at recess. We are very concerned about students twisting an ankle or falling down on the pavement. We please ask that students not come to school with boots or shoes that have heels. Thank you!

Girls on the Run - St. Mary/St. Lawrence's Girls on the Run team will be having their Practice 5K on Monday, November 1st at 4:30 p.m. It will be located where the South Dearborn Pee Wee football field is on the track. It is next to the Aurora Recreational Community Center located on 50. Come cheer on these amazing girls or run alongside for a lap or two or the whole 5K. Hope to see you there!
Coaches - Jenn, Laurie, Ashley and Melissa
Questions contact Jenn Ruter 812-290-7684 or jenn22ruter@gmail.com.

Oldenburg Academy Open House – Oldenburg Academy will be having their open house on Sunday, November, 7th, from 1:00 – 3:00 p.m. A flyer is attached with more information.

Flu Shots at St. Lawrence – We will once again be offering flu shots at St. Lawrence. The shots will be administered by the Dearborn County Health Department. The shots will be given on Friday, November 12th. If you would like your child to receive a flu shot, please fill out the form that is going home in the Friday Folders and return it by Friday, November 5th. They will run insurance, but if you do not have insurance there is a program they can use where it is free to the individual.

Facebook and Twitter –Please follow us on Twitter (@SLSPanthers) and on Facebook to see what is going on in our school.

11/24/21 – 11/26/21 – Thanksgiving Break

12/5/21 – Christmas Program @ LHS Auditorium @ 2:00 p.m.

Academic Corner

The primary reasons that parents send their children to a Catholic school are:

1. Academic excellence
2. Emphasis on Catholic values
3. Healthy social relationships
4. A supportive, safe environment

A Catholic education means...

College-bound peers – The vast majority, approximately 94% of Catholic school graduates, pursue higher education. Catholic School graduates are often pursued by prestigious colleges.

A rigorous curriculum – Most students take four years of STEM, mathematics, history, English, science, foreign language and religious studies.

Self-discipline – Students are expected to accept responsibility for their actions, to respect others and to make good decisions in the context of their faith experience.

Christ as a model – The goal of a Catholic education is to help children mature into Christ-like people. Students are encouraged to recognize the presence of Christ in themselves and others. The religious formation of children begun at home is continued in Catholic school.

A safe, supportive environment – Reverence for the human dignity of every person comes from recognizing Christ in self and others. More than “drug-free zones” or “gun-free zones,” Catholic schools strive to be “Christ-centered zones.”

High expectations – Catholic school teachers encourage every student to achieve his or her full potential.

Committed parents – Parents are a child’s first teachers. At Catholic schools, parents take an active role in their children’s education. The school supports families and works with them for the benefit of children.

A caring community – Catholic school teachers and staff partner with parents and families to support formation of the whole child - academically, emotionally, spiritually and socially. Students are nurtured in the faith and known by name.
