

Marriage, Singleness, Sex, And The Kingdom

The truth that both politics and culture couldn't understand:

Matthew 19:1-15, Deuteronomy 24:1-4, Genesis 1 & 2, Malachi 2:13-16, Ephesians 5:31, 1 Corinthians 7:1-16, 25-40

Jesus defined marriage as _____ complementary _____ coming together to make a _____ union.

God created and _____ people together in _____.

Marriage was not made by _____, the _____, or the _____, but this was God's original _____ and _____.

God makes a _____ for our sinfulness and brokenness but does not _____ it.

Be careful not to paint God as _____ or _____ on this issue. This is not a big _____ of God, but a _____ of God by ourselves.

Jesus' simple solution to a complex question:

Matthew 19, 16:24-28, Isaiah 56:3-5, Jeremiah 3:8

The definition of being a Christian is simply one who:

To save our life we first have to _____ down, not _____ it.

Marriage, Singleness, Sex, And The Kingdom

The truth that both politics and culture couldn't understand:

Matthew 19:1-15, Deuteronomy 24:1-4, Genesis 1 & 2, Malachi 2:13-16, Ephesians 5:31, 1 Corinthians 7:1-16, 25-40

Jesus defined marriage as **TWO** complementary **GENDERS** coming together to make a **ONE FLESH** union.

God created and **JOINED** people together in **MARRIAGE**.

Marriage was not made by **LOVE**, the **STATE**, or the **CHURCH**, but this was God's original **PLAN** and **INTENT**.

God makes a **CONCESSION** for our sinfulness and brokenness but does not **CONDONE** it.

Be careful not to paint God as **UNFAIR** or **UNLOVING** on this issue. This is not a big **CHARACTER FLAW** of God, but a **SMALL VIEW** of God by ourselves.

Jesus' simple solution to a complex question:

Matthew 19, 16:24-28, Isaiah 56:3-5, Jeremiah 3:8

The definition of being a Christian is simply one who:

DENIES THEMSELVES

PICKS UP THEIR CROSS

FOLLOWS WHAT JESUS TEACHES

To save our life we first have to **LAY IT** down, not **DEFEND** it.
