# Rebates and Free Programs

*For businesses and institutions like schools and government facilities.*

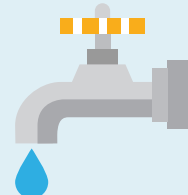

*Learn more about the services you can take advantage of with your qualifying property.*

*Valley Water provides Silicon Valley with safe, clean water for a healthy life, environment and economy.*

## Water Efficient Technology (WET) Rebate

Offers up to **\$100,000\*** in rebates for the installation of equipment that results in measurable water savings for the business or institution.

## Submeter Rebate

Offers a rebate of **\$150\*** for each installed submeter at multi-family homes and mobile homes. Submeters allow individual units to pay for the water they use, reducing total water use by 10–30% on average!

## Landscape and Irrigation Equipment Rebates

Offers up to **\$50,000\*** in rebates to convert lawns and pools to low water use landscapes, existing irrigation equipment to high efficiency irrigation equipment, and or to install rainwater capture systems like rain barrels and more!

## FREE Landscape Survey

Schedule a free landscape field survey to receive irrigation efficiency recommendations for a landscape area greater than half an acre.

## FREE Water-Saving Equipment & Materials

- High efficiency faucet aerators
- Restaurant table tents with *Drinking Water by Request* message
- Hotel cards with *Linen Reuse* message
- Pre-rinse sprayers

\* Maximum rebates may be bigger in some cost-sharing areas.

Note: Equipment must be purchased and installed AFTER receiving a Notice to Proceed from Valley Water. All rebates are subject to funding availability and program restrictions.
