Request for Qualifications (County RFQ #22-105)

Addendum No. 1 November 30, 2022

Several questions have been asked regarding the above referenced RFQ. Below is a list of questions and their associated responses pertinent to all consultants. Thank you for your continued interest in the project.

Question 1: *Will the short list function as a pool from which firms will be engaged for negotiations on a project-by-project basis?*

Response: Yes.

Question 2: *If so, how long will firms be kept on a short list? Will there be another solicitation for the next calendar year?*

Response: Consultants selected during this process will remain on this active list for 3-5 years. At this time, there are no additional solicitations planned for the next calendar year.

Question 3: *How many firms will be chosen for the short list?*

Response: This has not been determined, but likely 5-6 firms.

Question 4: *Will there be separate RFQ's released for other future park planning / design projects in addition to this RFQ, or will consultants for future projects be chosen from this pool only?*

Response: The county reserves the right to issue future RFQ's based on the project scope.
