Human Services Mission Statement

Wake County Human Services, in partnership with the community, will facilitate full access to high quality and effective health and human services for Wake County residents.

March, 2014

Environmental Services Mission Statement

The Wake County Environmental Services Department improves the environmental quality of life for the stakeholders of Wake County through the following initiatives: Administration, Animal Services, Environmental Health & Safety, Solid Waste and Water Quality.

Animal Services:

The Wake County Environmental Services Animal Services Division, in partnership with the community, will serve the citizens of Wake County through the enforcement of Animal Control laws for the municipalities covered by Wake County Animal Control and provide a safe environment for the intake and housing of stray animals, adoption services of healthy and treatable animals, and educational outreach to the citizens of Wake County.

Environmental Health and Safety:

The Wake County Environmental Services Environmental Health and Safety Division will reduce public health and safety risks to citizens and visitors of Wake County through efficient and effective plan review, audits, and education.

Solid Waste:

The Wake County Environmental Services Solid Waste Division will protect the public health and safety of Wake County citizens by providing quality municipal solid waste services that are efficient, cost effective and environmentally responsible.

Water Quality:

The Wake County Environmental Services Water Quality Division will foster a healthy community and clean water.
