MAP NO. 27

A detailed plat map of a section of land, likely in the 19th century, showing a grid of lots and several intersecting roads. The map is oriented with a north arrow pointing towards the top right. The roads shown are "Buck Jones Rd" at the bottom, "Carolina Avenue" running diagonally from the bottom left towards the top center, "Ferry Road" running diagonally from the bottom right towards the top center, and "Burton Ave" running vertically on the right side. The lots are numbered 1 through 24. The dimensions of the lots and the roads are given in feet. For example, the lots along the top are 300 feet wide and 100 feet deep. The lots along the right side are 100 feet wide and 100 feet deep. The lots along the bottom are 100 feet wide and 100 feet deep. The lots along the left side are 100 feet wide and 100 feet deep. The map also shows several smaller lots and areas, some of which are labeled with numbers like 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24. The map is a black and white line drawing with text labels for the roads and lot numbers.
