## Key Definitions and Clarifications

1. **Short-Term Suspension:** A suspension from school for a period of ten (10) school days or less. Principals have the right to impose short-term suspensions, and students do not have the right to appeal them to the superintendent or board of education.
  
2. **Long-Term Suspension:** A suspension from school for a period of time in excess of ten (10) school days. Long-term suspensions may be recommended by the school principal but may not be imposed without the approval of the superintendent or designee following the opportunity for an evidentiary hearing. Students may appeal long-term suspensions to the board of education.
  
3. **365-Day Suspension:** A suspension for 365 calendar days for possession of a “firearm” or “destructive device” on educational property. A 365-day suspension may be recommended by the school principal but may not be imposed without the approval of the superintendent or designee following the opportunity for an evidentiary hearing. The superintendent may also modify a 365-day suspension. Students may appeal 365-day suspensions and modified 365-day suspensions to the board of education.
  
4. **Expulsion:** An indefinite removal from the school enrollment for disciplinary purposes based on a determination that the student’s continued presence presents a “clear threat” to the safety of staff or students. Only the Board of Education, upon recommendation of the principal and superintendent, may expel a student.
  
5. **Disciplinary Reassignment:** Disciplinary reassignment to a full-time educational program that meets the academic requirements of the standard course of study established by the State Board of Education and provides the student with the opportunity to make timely progress towards graduation and grade promotion is not considered a long-term suspension. Only the superintendent/designee or the board of education may approve a disciplinary reassignment as an alternative to long-term suspension. A disciplinary reassignment of more than ten (10) days is referred to as a “long-term disciplinary reassignment.”

## Total Recommendations for Long-Term Suspension

Suspension recommendations exceeding ten (10) days are coded as one of the following:

- Short-Term/Recommendation for Long-Term
- Short-Term/Recommendation for Long-Term, Aggravating Factors
  - This category reflects recommendations for long-term suspension based on Level II violations involving aggravating factors regarding the severity of the violation and/or safety concerns.
- Short-Term/Recommendation for Long-Term and 365
- Short-Term/Recommendation for Long-Term and Expulsion
- Short-Term/Recommendation for Long-Term, 365 and Expulsion

Out of the 11,839 suspensions, 1,223 were principal recommendations for long-term suspensions. Of those, four (4) resulted in a long-term suspension, two (2) resulted in a long-term 365-day suspension, and the remainder resulted in short-term suspensions, long-term disciplinary reassignments, and/or appeal hearing decisions against the long-term recommendation.

Suspension Type	Total
ST/Recommendation for LT	1,050
ST/Recommendation for LT and 365	4
ST/Recommendation for LT and Expulsion	2
ST/Recommendation for LT, 365 and Expulsion	1
