***Environmental Services Mission Statement***

The Wake County Environmental Services Department improves the environmental quality of life for the stakeholders of Wake County through the following initiatives: Administration, Animal Services, Environmental Health & Safety, Solid Waste and Water Quality.

**Administration:**

The Administration Division leads sustainable and nationally recognized service deliveries for all segments of Environmental Services.

**Animal Services:**

The Animal Services Division is determined to make a difference for the animals and citizens of Wake County through education, adoption, enforcement and community partnership.

**Environmental Health and Safety:**

The Environmental Health and Safety Division improves public health through education, plan review, and inspection.

**Solid Waste:**

The Solid Waste Division protects the public health and safety of Wake County citizens by providing quality solid waste and recycling services that are efficient, cost effective and environmentally responsible.

**Water Quality:**

The Water Quality Division promotes leadership in water management, sustainability, and health by protecting high quality water throughout Wake County.
