## Geocache Description:

Just a walk in the woods. If you keep your eyes open you will see them everywhere peaking out from under the leaves. They are mushrooms. Little ones, big ones, and sometimes huge ones. White ones, red and white ones, orange ones, even green ones. It is fun to see how many different types of mushrooms you can find. While you are looking you might find a special one.

Log only, Bring your own pen.

No additional hints.
