

Know Before You Go! Where are the Local Veterinary Emergency Clinics?

Did you know that some clinics are reaching capacity due to staff shortages and turning away cases since they just don't have the people to care for your pet? Or that the wait may be over three hours? The best you can do for your pet is to call before you head to an emergency clinic with your pet!

NOTE: Some of the listed clinics are 24-hour emergency clinics. Some open at 6pm and provide emergency care when regular veterinarians are closed. **CALL BEFORE YOU GO!**
