

SUBMITTAL GUIDE FOR FOOD TRUCK AND PUSHCART PERMITS v.4

Please have the following documents and information ready so they can be attached to your online application. Your builder may be able to provide some of this information.

- **Food Equipment Drawings (Top view required)**

Submitting side views are also recommended. Drawings must be drawn to scale (ie. 1/4" = 1 foot). Show the location of each piece of equipment including cooking equipment, hand sink, utensil sink, refrigeration, steam tables, grease hood, hood fan, lighting, water heater, tables, shelves, and lighting, etc.

- **Manufacturer Specification Sheets (MSS) for *all* food service equipment**

MSS can be found on the equipment manufacturer website or provided by the manufacturer directly. Food service equipment includes refrigeration, cooking equipment, hood, hood fan, utensil sink, hand sink, tables, hot holding equipment, shelving, etc. *Owner/installation manuals or documents that provide a price are not MSS.* The pushcart manufacturer can provide the MSS for a specific make and model. Example of a refrigerator MSS: <https://dc2kentprodcontent.blob.core.windows.net/specsheets/FoodPrepTables/FoodPrepUnits/401/1/TFP-48-18M.pdf>

- **Menu** (include appetizers, entrees, sides, desserts, and drinks)

- **Commissary Form**

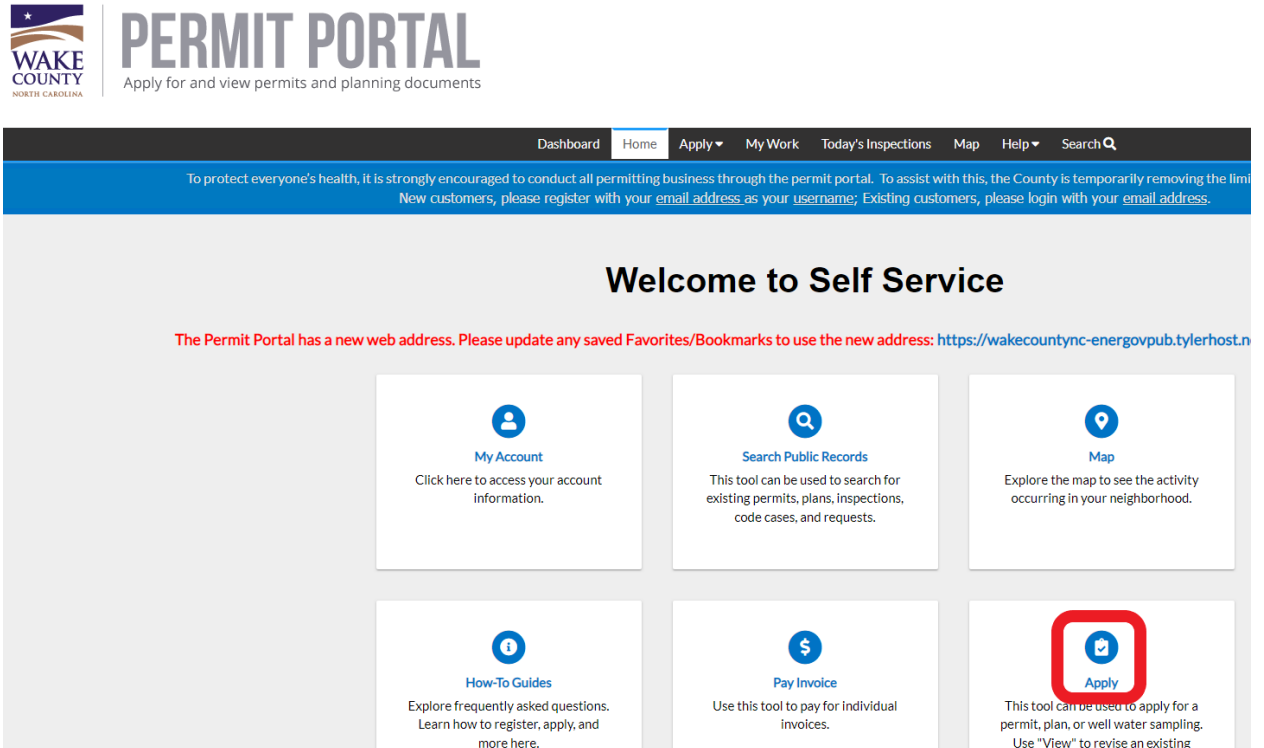

This form can be attached to the online application or emailed at a later date to escustomersupport@wakegov.com This commissary form can be found at: <https://s3.us-west-1.amazonaws.com/wakegov.com-if-us-west-1/s3fs-public/documents/2020-10/Commissary%20Form%20-%20English.pdf> *This form is required to be submitted and approved by this Department before an operational permit can be issued.*

This guide is designed to assist you through the online application:

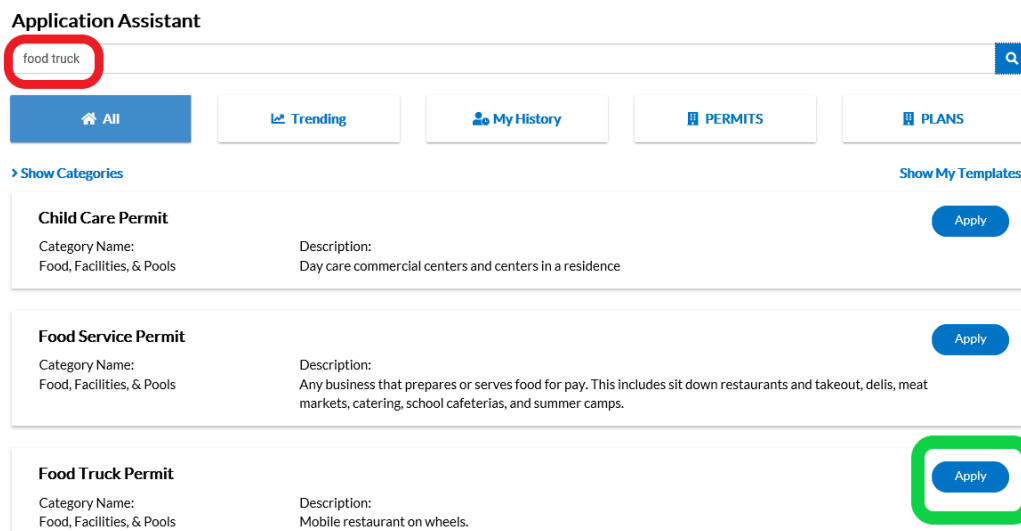

IMPORTANT: You can save your application as a draft *at specific times* during the application process. Only when you get to a point where you see "Save Draft" in the bottom right corner can the document be saved. ****Do not hit the back button on your browser. This will cause you to have to start over.****

1. Click on the link to the Permit Portal. ****Google Chrome is the recommended browser to use**** (<https://wakecountync-energovpub.tylerhost.net/apps/SelfService#/home>).
2. Create an account. Once you have created an account, log into the Permit Portal. If you need assistance with how to create an account, see Tutorials at the bottom of www.wakegov.com/permitportal.
3. Once logged in, click "Apply" on the Home page:

[Type here]

- Using the “Application Assistant” search engine, type Food Truck or Pushcart (Hot Dog Cart), then click on the magnifying glass to start the search. Once you find the correct application click “Apply” on the right side.

- There are 6 steps to complete to submit an application.
 - Step 1 – Locations**
 - Click “Add Location” – Search for the physical address where you plan to operate using only the street number and name (do not enter the street type). ***If the address is not found/known, please enter the proposed commissary address.** Once the address is located, click the “Add” button.

[Type here]

The screenshot shows the 'Add Address' form. A red callout box points to the search input field with the text 'JUST THE STREET NUMBER AND NAME'. Another red callout box points to the 'Add' button with the text 'CLICK THE ADD BUTTON TO ADD THIS ADDRESS'. The search results show '336 FAYETTEVILLE ST, RALEIGH, NC 27601' with an 'Add' button next to it.

- ii. After adding a location address, click on “Next.” ***If you want to complete the application later, you can click “Save Draft” instead.*
