---

***Human Services Mission Statement***

Wake County Human Services, in partnership with the community, will facilitate full access to high quality and effective health and human services for Wake County residents.

March, 2014

---

***Environmental Services Mission Statement***

The Wake County Environmental Services Department improves the environmental quality of life for the stakeholders of Wake County through the following initiatives: Administration, Animal Services, Environmental Health & Safety, Solid Waste and Water Quality.

***Administration:***

The Administration Division leads sustainable and nationally recognized service deliveries for all segments of Environmental Services.

***Animal Services:***

The Animal Services Division is determined to make a difference for the animals and citizens of Wake County through education, adoption, enforcement and community partnership.

***Environmental Health and Safety:***

The Environmental Health and Safety Division improves public health through education, plan review, and inspection.

***Solid Waste:***

The Solid Waste Division protects the public health and safety of Wake County citizens by providing quality solid waste and recycling services that are efficient, cost effective and environmentally responsible.

***Water Quality:***

The Water Quality Division promotes leadership in water management, sustainability, and health by protecting high quality water throughout Wake County.
