PERSONAL PROPERTY

List all boats, boat motors, manufactured homes, aircraft, unlicensed vehicles, and permanent multi-year trailers owned by you on January 1, 2024. Please provide complete descriptions of all property. If necessary, attach a separate sheet for additional property.

Licensed Vehicles - Do not list vehicles currently licensed by the NC Division of Motor Vehicles (NCDMV). The tax on these vehicles will be included on the NCDMV's registration renewal notice or calculated at the time a new registration is established.

IRP/Apportioned Plated Vehicles - If your business owns IRP or apportioned plate vehicles (that are not centrally assessed by the North Carolina Department of Revenue), these vehicles are required to be listed for property tax purposes. Complete and return the enclosed listing form and attach a list of IRP vehicles owned. Be sure to include the vehicle's make, model, year, VIN, and license plate.

Unlicensed Vehicles - Vehicles not licensed with the NCDMV must be listed. Vehicles include automobiles, trucks, trailers of all types, motorcycles, and motor homes. If your vehicle is damaged or claimed as a total loss, submit any information as to its condition as of January 1, 2024.

Permanent Multi-Year Trailers – Trailers licensed for multiple years with the NCDMV must be listed.

Boats - Boat ownership is determined by information received from GO Outdoors North Carolina. Boats registered with GO Outdoors North Carolina should receive a separate preprinted listing form. If you do not receive a preprinted listing, list your boat on this form.

Farmers, Carpenters, and Mechanics – Persons owning tools and equipment used in a trade or business should list on a business listing form. Business listing forms are available on our web site. Please visit wake.gov/tax/listingforms.

Rented Furnishings – Furnishings owned and rented by a landlord (except student housing) should be listed on a business listing form. Business listing forms are available on our web site. Please visit wake.gov/tax/listingforms.

AFFIRMATION

This listing must be signed by the person whose duty it is to list property for taxation. In the case of an individual taxpayer who is unable to list their property, a guardian, authorized agent or other person having knowledge of and charged with the care of the person and property of the taxpayer may sign the listing, indicating their capacity. In the case of a corporation, partnership, limited liability company or unincorporated association, the listing may be signed by a principal officer of the taxpayer, a full-time employee of the taxpayer who has been empowered to do so by a principal officer of the taxpayer or an agent of the taxpayer authorized by a principal officer of the taxpayer.

PROPERTY TAX RELIEF, EXEMPTIONS AND EXCLUSIONS

North Carolina offers income-based property tax relief programs for homeowners who are at least 65 years of age or totally and permanently disabled. Homes owned by honorably discharged disabled veterans or their unmarried surviving spouses may also be eligible for tax relief.

North Carolina General Statutes allow for certain types of property to be exempt from taxation if they meet the requirements specified by the statutes. Examples include property used for religious, educational, charitable or scientific purposes.

Military personnel on active duty in North Carolina with a home of record in another state may not be subject to personal property and registered vehicle taxes in North Carolina. Visit wake.gov/tax/exempt for details.

Tax deferral programs are available for certain types of property if they meet statutory requirements: agricultural, forest, and horticultural land; wildlife conservation areas; and designated historical buildings.

Information on the various programs can be found on our web site at wake.gov/tax/programs. To request an application for one of these programs, please call our office at 919-856-5400 or use the appropriate application located on our web site. Late applications may be considered for good cause through the last day of the calendar year in which the tax is levied. A late application received after the calendar year ends will not be accepted and cannot be considered for approval or denial for any reason or circumstance.
