Geocache Description:

The Geocache Container can be found at N 35 50.A4D W 78 47.CAB.

The Geocache Container is located just off the South West Bike Trail Loop 4. You can bike to the hide location, however, it will be a long ride due to all the loops you must travel. I accessed the hide location by hiking along the side of the road toward the Park Entrance. Parking on the road side in Lake Crabtree County Park is forbidden. At Trail Head (waypoint). N 35 50.657 W 78 47.993 I left the road and hiked through the forest to the loop 4 trail and hiked it to the hide location. It will take less time to bushwhack directly to the geocache coordinates. Why did I choose this location? It was the only available area in the Park to place a geocache.
