## Spring Has Sprung

**Friday, March 1st, 4 p.m. – 5 p.m.**

Shake off the winter blues and welcome the spring season! Join us as we spot the early signs of spring, from songs to smells. Discover the buds on the trees as we walk around the pond. Then decorate a flower pot and take home a flowering bulb.

## Magical Habitats

**Sunday, March 10th, 2 p.m. – 3 p.m.**

Nature is full of magic! Learn what a habitat is and discover a few animals that call the park home. Then explore the enchanted side of the woods, build a habitat of your own, and learn neat ways to navigate through the woods using the nature around you!

## Walk in the Woods

**Saturday, March 16th, 10 a.m. – 11 a.m.**

Take a walk in the woods and discover the animals and plants that call our park home. This month we will be discussing early signs of spring and looking for critters coming out of their cozy winter homes! All experience levels are welcome. We can learn together! **Meet at the Front Office.**

## Silly Salamanders

**Wednesday, March 27th, 11 a.m. – Noon**

As spring arrives, so do salamanders, frogs, and other amphibians. Learn the unique adaptations of a salamander, play a life cycle game, and join us for a meet-and-greet with a live amphibian.
