SCANNING

1. Spandex is a Privilege NOT a right

2. Remember that Cars are two tons Worth of steel they'll always win that battle.

3. Respect Pedestrians

4. Stay off the sidewalk! Pedestrians Don't handle cyclists all too well

1. Car doors are a cyclist's worst nightmare

2. Bike Lanes are for bikes. Not Double Parking

3. Rearview mirrors are useful when changing lanes, especially if you don't want cyclists bouncing off of your car

4. Don't try and outrun a cyclist. It's Dangerous!

SHARE THE ROAD YOU COULD SAVE MY LIFE

If you have a Heart,
Stay 3ft apart!!

PSA: BIKE SAFETY!

created by: Dracenc. Stone

Riding Bikes
are fun, But
Sometimes
Someone could
get injured &
Hurt if you
don't ride
at least 10 away!

Look what
happened
to Benson
Things
could happen
to you if you don't
ride 3ft
away

I've
crashed
my bike
Eh!
