Director, Town of Rolesville

Rolesville, NC 27571

June,

On behalf of North Carolina FC Youth (NCFC Youth) it is my pleasure to submit this letter of support for the development of Frazier Farm Athletic Complex.

The facility would be a major sports and recreation asset to Rolesville, Wake County, and to NCFC Youth soccer programming. Youth soccer has grown in our area, with NCFC Youth soccer participation growing 30% in the past 5 years and now servicing more than 17,000 local players and families, many who reside in Rolesville and adjacent communities. Access to more fields near current players and prospective players will attract more kids to play, be active, and social, emotionally, and mentally benefit from participation.

This multi-field proposed complex in particular would be a huge asset to our tournaments hosted throughout the year that welcome more than 2,000 teams to our county and region. We are always looking for multi-field venues that can host multiple games at the same time and provide a great visitor experience to our teams, parents, coaches, and referees.

More importantly, as our tournaments have grown over the years, often teams are pulled outside of the county for tournament play – as far as east as Goldsboro and as far west as Mebane. Our goal is to keep as much game play and hotel stays inside the county that has supported us for the past 51 years. By having Frazier Farm Athletic Complex for our tournament use, we will undoubtedly create a better experience for visiting teams and bring more hotel room nights and visitor spending into Wake County (versus taking it outside the county to a satellite facility).

Through our preliminary discussions, our intent is to support the development of the soccer fields at Frazier Park with capital investment and labor support including final grading of the fields, springing, irrigation, and addition of lights to some of the fields. As the phases of the project continue, we look forward to discussing and finalizing our financial commitment to the project.

We are excited about the new complex being added to Wake County – undoubtedly, it will be a major hub of community engagement and economic impact.

Gary Boete
Chief Executive Officer
North Carolina FC Youth

NC Football Club Youth (NCFC Youth)

Score 84.1 | Requested: \$3,500,000 | Recommended: \$2,000,000

Administrative and Event HQ Facility at WRAL Soccer Park:

- 1st floor: Amenities for teams and guests (café, medical suite, and multi purpose rooms and event space)
- 2nd floor: NCFC Administrative HQ and event command center
- Helps NCFC maintain its competitive edge as the single largest annual generator of sports driven room nights
 - 37,250 room nights in FY2025
- 75% of Non-Interlocal Funds committed

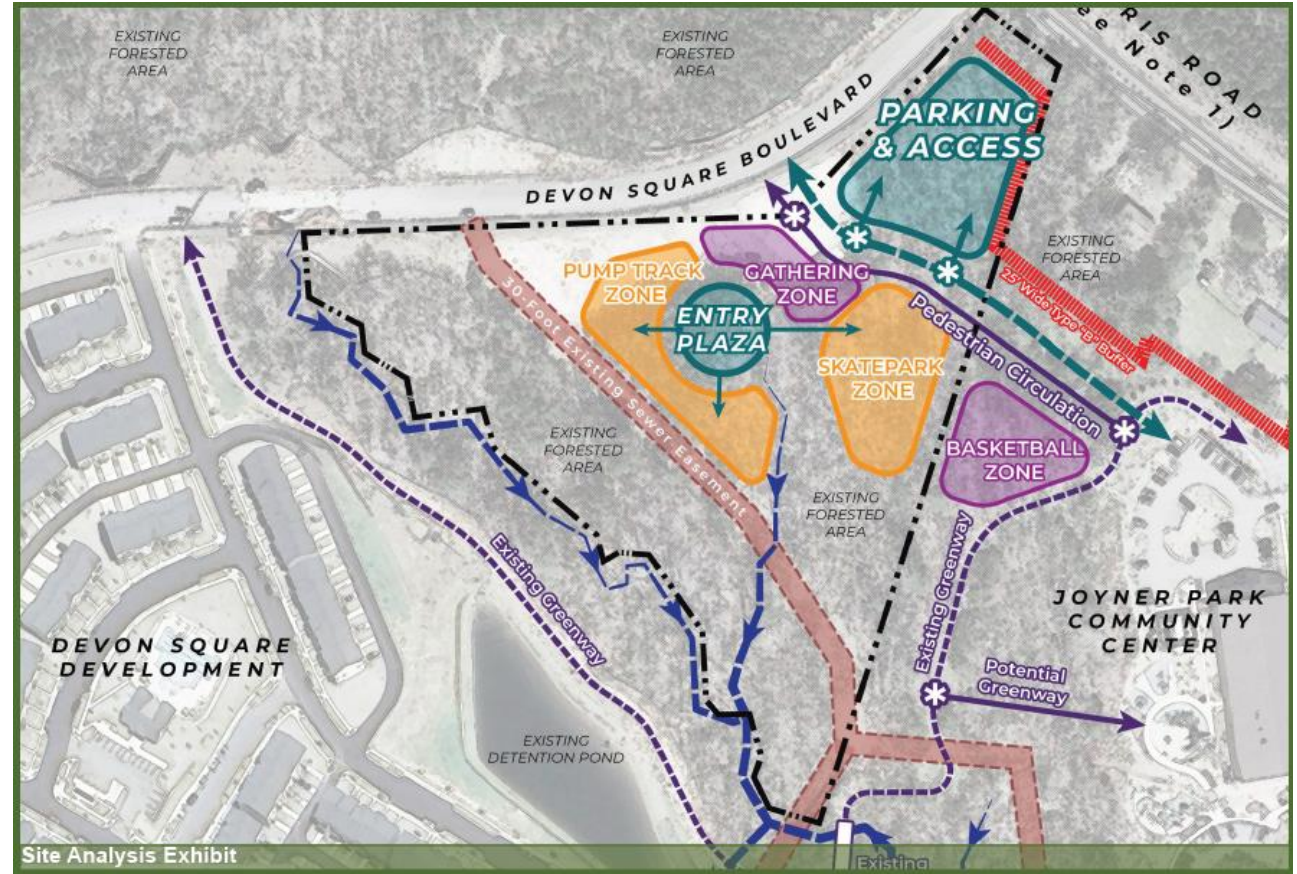

Town of Wake Forest

Score 80.6 | Requested: \$4,839,000 | Recommended: \$3,891,000

Skate Park and Pump Track

- Construct 25,000 sq. ft. Skate Park and 2,700 linear ft. Pump Track
 - Facility will also include outdoor basketball courts, food truck facilities, fitness equipment, a picnic shelter, restrooms, and parking
- Partnering with New Line Skateparks, a specialized firm to design the skate park and track
 - Targeting multi-day events like USA BMX National and state events
- 84% of non-interlocal funds committed

Burlington BMX – Burlington, NC

George Poston Park – Gastonia, NC

Town of Apex

Score 79.6 | Requested: \$348,961 | Recommended: \$348,000

- 1,700 capacity (1,100 lawn + ~600 seated)
- Exploring partnerships to serve as a satellite venue for performing arts organizations including the NC Opera
- 100% of non-interlocal funds committed

Carolina Ballet

Score 75.3 | Requested: \$5,500,000 | Recommended: \$1,500,000

Starline at South Hills

- Partnership between the Ballet and developer (LODEN) to convert a vacant building into mixed-use district including the ballet, food/beverage, and retail
- Ballet would include a black box theater, five studios, costume storage, offices, and a ballet school.
- New space + rent savings position the Ballet to expand offerings, and partner with existing venues to address their demand challenges
- 55% of Non-Interlocal Funds Committed

Ballet performed for nearly 66,000 in 2024, with ~42% from outside Wake County based on ticket sales data

Recommended for Funding

Improvements to Existing Facilities

Triangle Aquatic Center (TAC)

Score 91.8 | Requested: \$60,000 | Recommended: \$59,000

- Renovate hospitality suite to better accommodate larger, multi-day competitions and events and maintain edge in securing events

- Supports tournament and event hosting capacity
- 64% of non-interlocal funds committed

Town of Fuquay-Varina

Score 81.1 | Requested: \$5,000,000 | Recommended: \$4,250,000

Fleming Loop Park Fields

- Convert 7 grass fields to artificial turf to maximize playability and attract more events and tournaments
- Already a host site for large annual soccer/NCFC, lacrosse, and ultimate frisbee events, this positions the Town partner as a host with other venues on larger events like the Cary Cup
- 80% of non-interlocal funds committed

Friends of the NC Museum of Natural Sciences

Score 76.9 | Requested: \$1,125,000 | Recommended: \$954,000

Welcome Hall

- Improvements to the Nature Exploration Center visitor entrance and main hall (more than 25 years old), including:
 - Unified Guest Services Hub
 - Improved Visitor Flow and Orientation
 - “Wow” Factor
- Museum is approaching **1 million visits/year**. In 2024:
 - 930,000 visits (970,000 estimated in '25)

APPENDIX

Stakeholder Operating Principles

- Prioritize use of funds for projects that drive measurable, regular overnight visitation or positive return on investment (ROI)
- Support and promote the on-going capital expenditure program and expansion of existing investments in major facilities to keep them current, relevant and competitive in market
- Comply with all requirements of the existing enabling legislation
- Ensure project investments are secured by solid long-term plans, both operational and financial, that demonstrate viability and sustainability
- Utilize high standards of fiscal accountability in planning and managing the use of tax revenues:
 - Fulfill existing obligations before entering into significant new financial commitments
 - Maintain long-term, conservative financial forecasting
- Support investments that complement equitable economic development efforts and enhance quality of life experiences for visitors, newcomers and long-time residents

Stakeholder Operating Principles

- Create sports, arts and cultural opportunities, through leveraging community investments and partnerships, that benefit residents and enhance tourism offerings
- Support a project investment mix that considers location, contribution to quality of place, and equitable, sustainable and types of uses (sports, cultural, arts, convention, etc.)
- Engage stakeholders representing varying entities, jurisdictions and uses
- Ensure that investments support a welcoming and inclusive long-term vision of Wake County and its cities and towns as a tourism destination
- Provide a regular funding source for eligible projects that require a smaller scale investment
- Support investments that consider emerging arts, sports and cultural experiences and unmet needs
