|  Total calls: | 94  | animal bites  | 6   | bats at homes |
|                                                                                                 | 122 | loose animals | 316 | other         |
|                                                                                                 | 30  | cruelty cases |     |               |
| 568                                                                                             |     |               |     |               |

## PROGRAMS

|                                                                                                                           |       |
|---------------------------------------------------------------------------------------------------------------------------|-------|
|  Animals with foster families:         | 339   |
|  Volunteer hours:                      | 2,705 |
|  Rescue partners who accepted animals: | 18    |

## HUMANE EUTHANASIA

For space: **0% since 12/31/2015**

\* For moderate behavioral issues, feral animals, upper respiratory infection or age: **55**

For aggressive/bite animals, owner requested, wildlife or major medical issues: **58**

\* We can impact this number with better education, spay/neuter programs, increased adoption, support for owners so they can keep animals, and more!

## SAVE RATE

% of animals successfully returned to their owners or provided with expert care and safe places to call home: **91%**

Thanks to the volunteers, foster families, donations, partner rescue groups and community members who make a difference in the lives of animals every day!
