### PROJECT INTRODUCTION

- The purpose of this event is to provide the public with an opportunity to **learn about the planned natural surface trails** and to **share feedback** that will help shape the project's design and implementation.
- **CLH Design P.A.** (CLH) and **Wake County, NC** have contracted **IMBA Trail Solutions** (TS) as a subject matter expert and professional trail design consultant.
- Following the open house and online survey period, TS will compile the gathered data and **design new natural surface trails** at Haleys Branch that reflect the community's desires.
- The designed trails will be reviewed by Wake County before a professional trail contractor is chosen to **construct the new natural surface trails**.

### OPEN HOUSE INSTRUCTIONS

1. **Check in** pick up a flyer and sticky dots
2. **Explore the room** and use sticky dots to rank trail types and network characteristics
3. **Add your comments** or ideas using the provided sticky notes
4. **Ask questions**—facilitators are available to help
5. **Don't forget** to take the online survey
