Phase 1 Cost Estimate

Opinion of Probable Cost

\$6,860,000

- ❖ Signalized Pedestrian Crossing Ten Ten Road
- ❖ Paved Greenway Connector
- ❖ Natural Surface Trails
- ❖ Park Classroom
- Additional Parking
- Picnic Shelter
- Renovations to Existing Park Office

Parks, Recreation
and Open Space

CROWDER COUNTY PARK PARTF

What is PARTF?

NC Parks and Recreation Trust Fund

What does PARTF do?

PARTF has helped build and maintain parks, greenways, trails, playgrounds, water accesses, and so much more! PARTF grants create opportunities for staying active and enjoying the outdoors, while bolstering our state and local economies and quality of life.

What does PARTF do?

The North Carolina General Assembly funds PARTF each year at different levels. The Parks and Recreation Authority (PRA) decides PARTF funding.

How are grant recipients selected?

Local governments apply for PARTF grants each year. Applications are evaluated according to:

- Quality of planning
- Public involvement in the planning process
- Recreation facilities provided
- Quality of site with respect to its surroundings
- Quality of park land to be acquired
- The applicant's ability to operate and maintain the park project
