Basic Voter Registration Drive Requirements

Voter registration is fundamental to the election process and the decision to conduct a voter registration drive is important and must be taken seriously. Assisting qualified citizens in the registration process is the first step in participating in the democratic process and you are commended for your efforts. Conducting a voter registration drive carries with it certain responsibilities as follows:

1. Read the **NC Voter Registration Application Instructions** on the back of the *Voter Registration Form* before beginning the drive. If you have any questions about the instructions, contact the Wake County Board of Elections.
2. Provide individuals with **current**, state-approved *Voter Registration Forms*.
3. **DO NOT** coerce, threaten, or intimidate any person engaged in the registration or voting process.
4. **DO NOT** alter any information placed on the form without the permission of the person registering.
5. If assisting a person in filling out the form, write information on the form that accurately reflects the intent and direction of the person.
6. **DO NOT** give a partially completed registration form to a person.
7. Give registrants the option to hand-deliver or mail their registration forms to the Wake County Board of Elections.
8. Return **ALL** completed applications to the Wake County Board of Elections within 5 days of completing the Registration Drive and no later than 5:00 p.m. on the 25th day before a primary or election.
9. Provide voters with additional forms to take home if requested. The Wake County Board of Elections strives for 100% registration of all eligible citizens. We appreciate your efforts to register eligible voters and help update current voter registration lists by obtaining updated information from registered voters.

VOTER REGISTRATION FORMS

Voter Registration Forms may be obtained free of charge at either the Wake County Board of Elections office, located at 1200 N. New Hope Rd., Raleigh, NC 27610, or the NC State Board of Elections at 430 N. Salisbury St., Raleigh, NC 27603. These forms are coded to collect statistics required by federal law. The forms required for voter registration drives are coded "17".

The *Voter Registration Form* serves two purposes:

- It allows new registrants to apply for registration.
- It allows current registrants to update their name, party affiliation, address, or other changes.

Eligibility Requirements

A person must meet all the requirements to register to vote. Instruct each voter to read the eligibility requirements.

I attest, under penalty of perjury, that in addition to having read and understood the contents of this form, that:

- I am a United States citizen, as indicated above;
- I am at least 18 years of age, or will be by the date of the general election (*16 & 17-year-olds may pre-register*);
- I shall have been a resident of North Carolina, this county, and precinct for 30 days before the election in which I intend to vote;
- I will not vote in any other county or state after submission of this form and if I am registered elsewhere, I am canceling that registration at this time; and
- I have not been convicted of a felony, or if so, I have completed my sentence (including any probation, post-release supervision, or parole).

Voter registration forms must be submitted by the registration deadline **AND** delivered in person to the Wake County Board of Elections office by 5:00 p.m. on the 25th day before the election.

If individuals or groups fail to submit voter registration forms to the Wake County Board of Elections before the deadline, the applications will not be processed until after the upcoming election.

Ultimately, it is the duty of the Wake County Board of Elections to determine an individual's eligibility to register to vote.

After a voter's form is processed, a voter registration card will be mailed which includes their name, address, assigned polling place and jurisdictions. If any information on the card needs to be changed or is incorrect, the voter should make the changes in the space provided on the back of the card and return it to the Wake County Board of Elections.

Overview of Application

The *Voter Registration Form* serves two purposes:

- It allows new voters to register to vote.
- It allows current voters to update their name, party affiliation, address, or make other changes.

The form consists of three parts: Required Question, Application to Register to Vote, and Cancellation of Previous Registration.

Required Question:
CITIZENSHIP
question in section 1 **MUST** be answered.
