Wake One Water focuses on four focus areas: 1) Optimizing Water Supply, 2) Water Quality and Hydrology Improvement Strategies, 3) Land Conservation and Preservation, and 4) Flood Resilience. Our walking tour of downtown Cary will include stops at multiple green stormwater infrastructure (GSI) projects and demonstrate how a project can achieve multiple benefits across One Water focus areas. Projects will highlight successful public-private partnerships that serve as community amenities.

Meeting Location: Ivy Ellington House, 310 S. Academy Street, Cary, NC 27511

Parking Options: Downtown Cary has multiple parking garages available. Free parking is available at the Cary Library Parking Deck located at 315 Kildaire Farm Rd. Additional parking information is available at the following link: <https://downtowncarypark.com/parking>
