

HALEYS BRANCH TRAILS

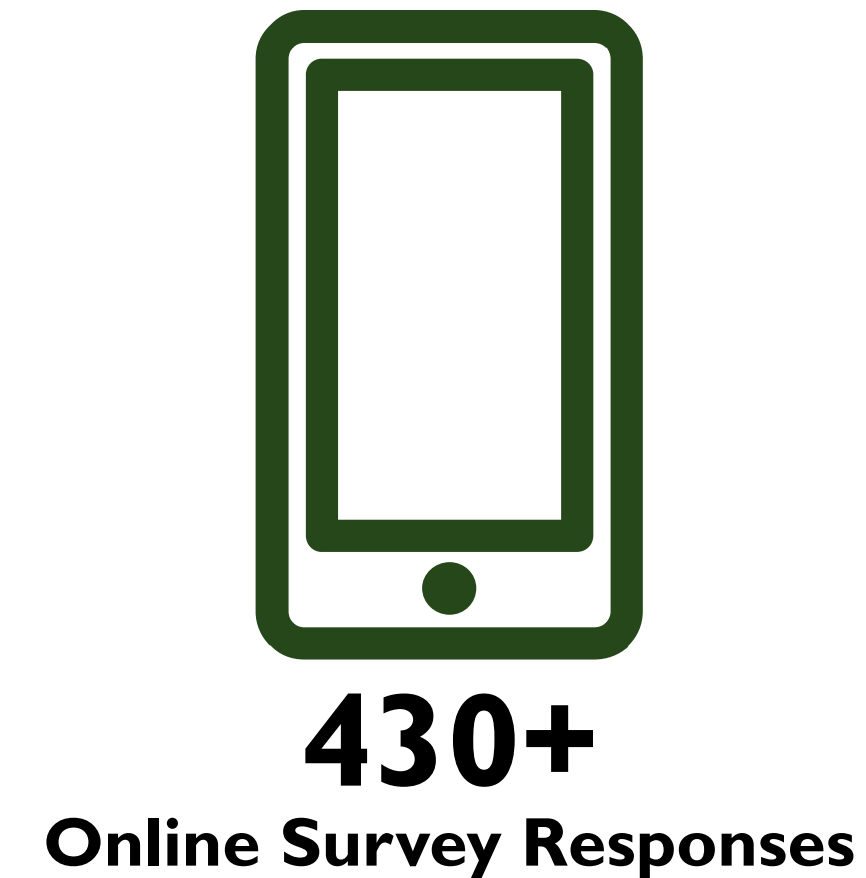

COMMUNITY ENGAGEMENT

What We Heard

Through community meetings and online survey, we heard from hundreds of community members about the future Haleys Branch Trails

.....COMMUNITY PARTICIPATION.....

.....CURRENT USES.....

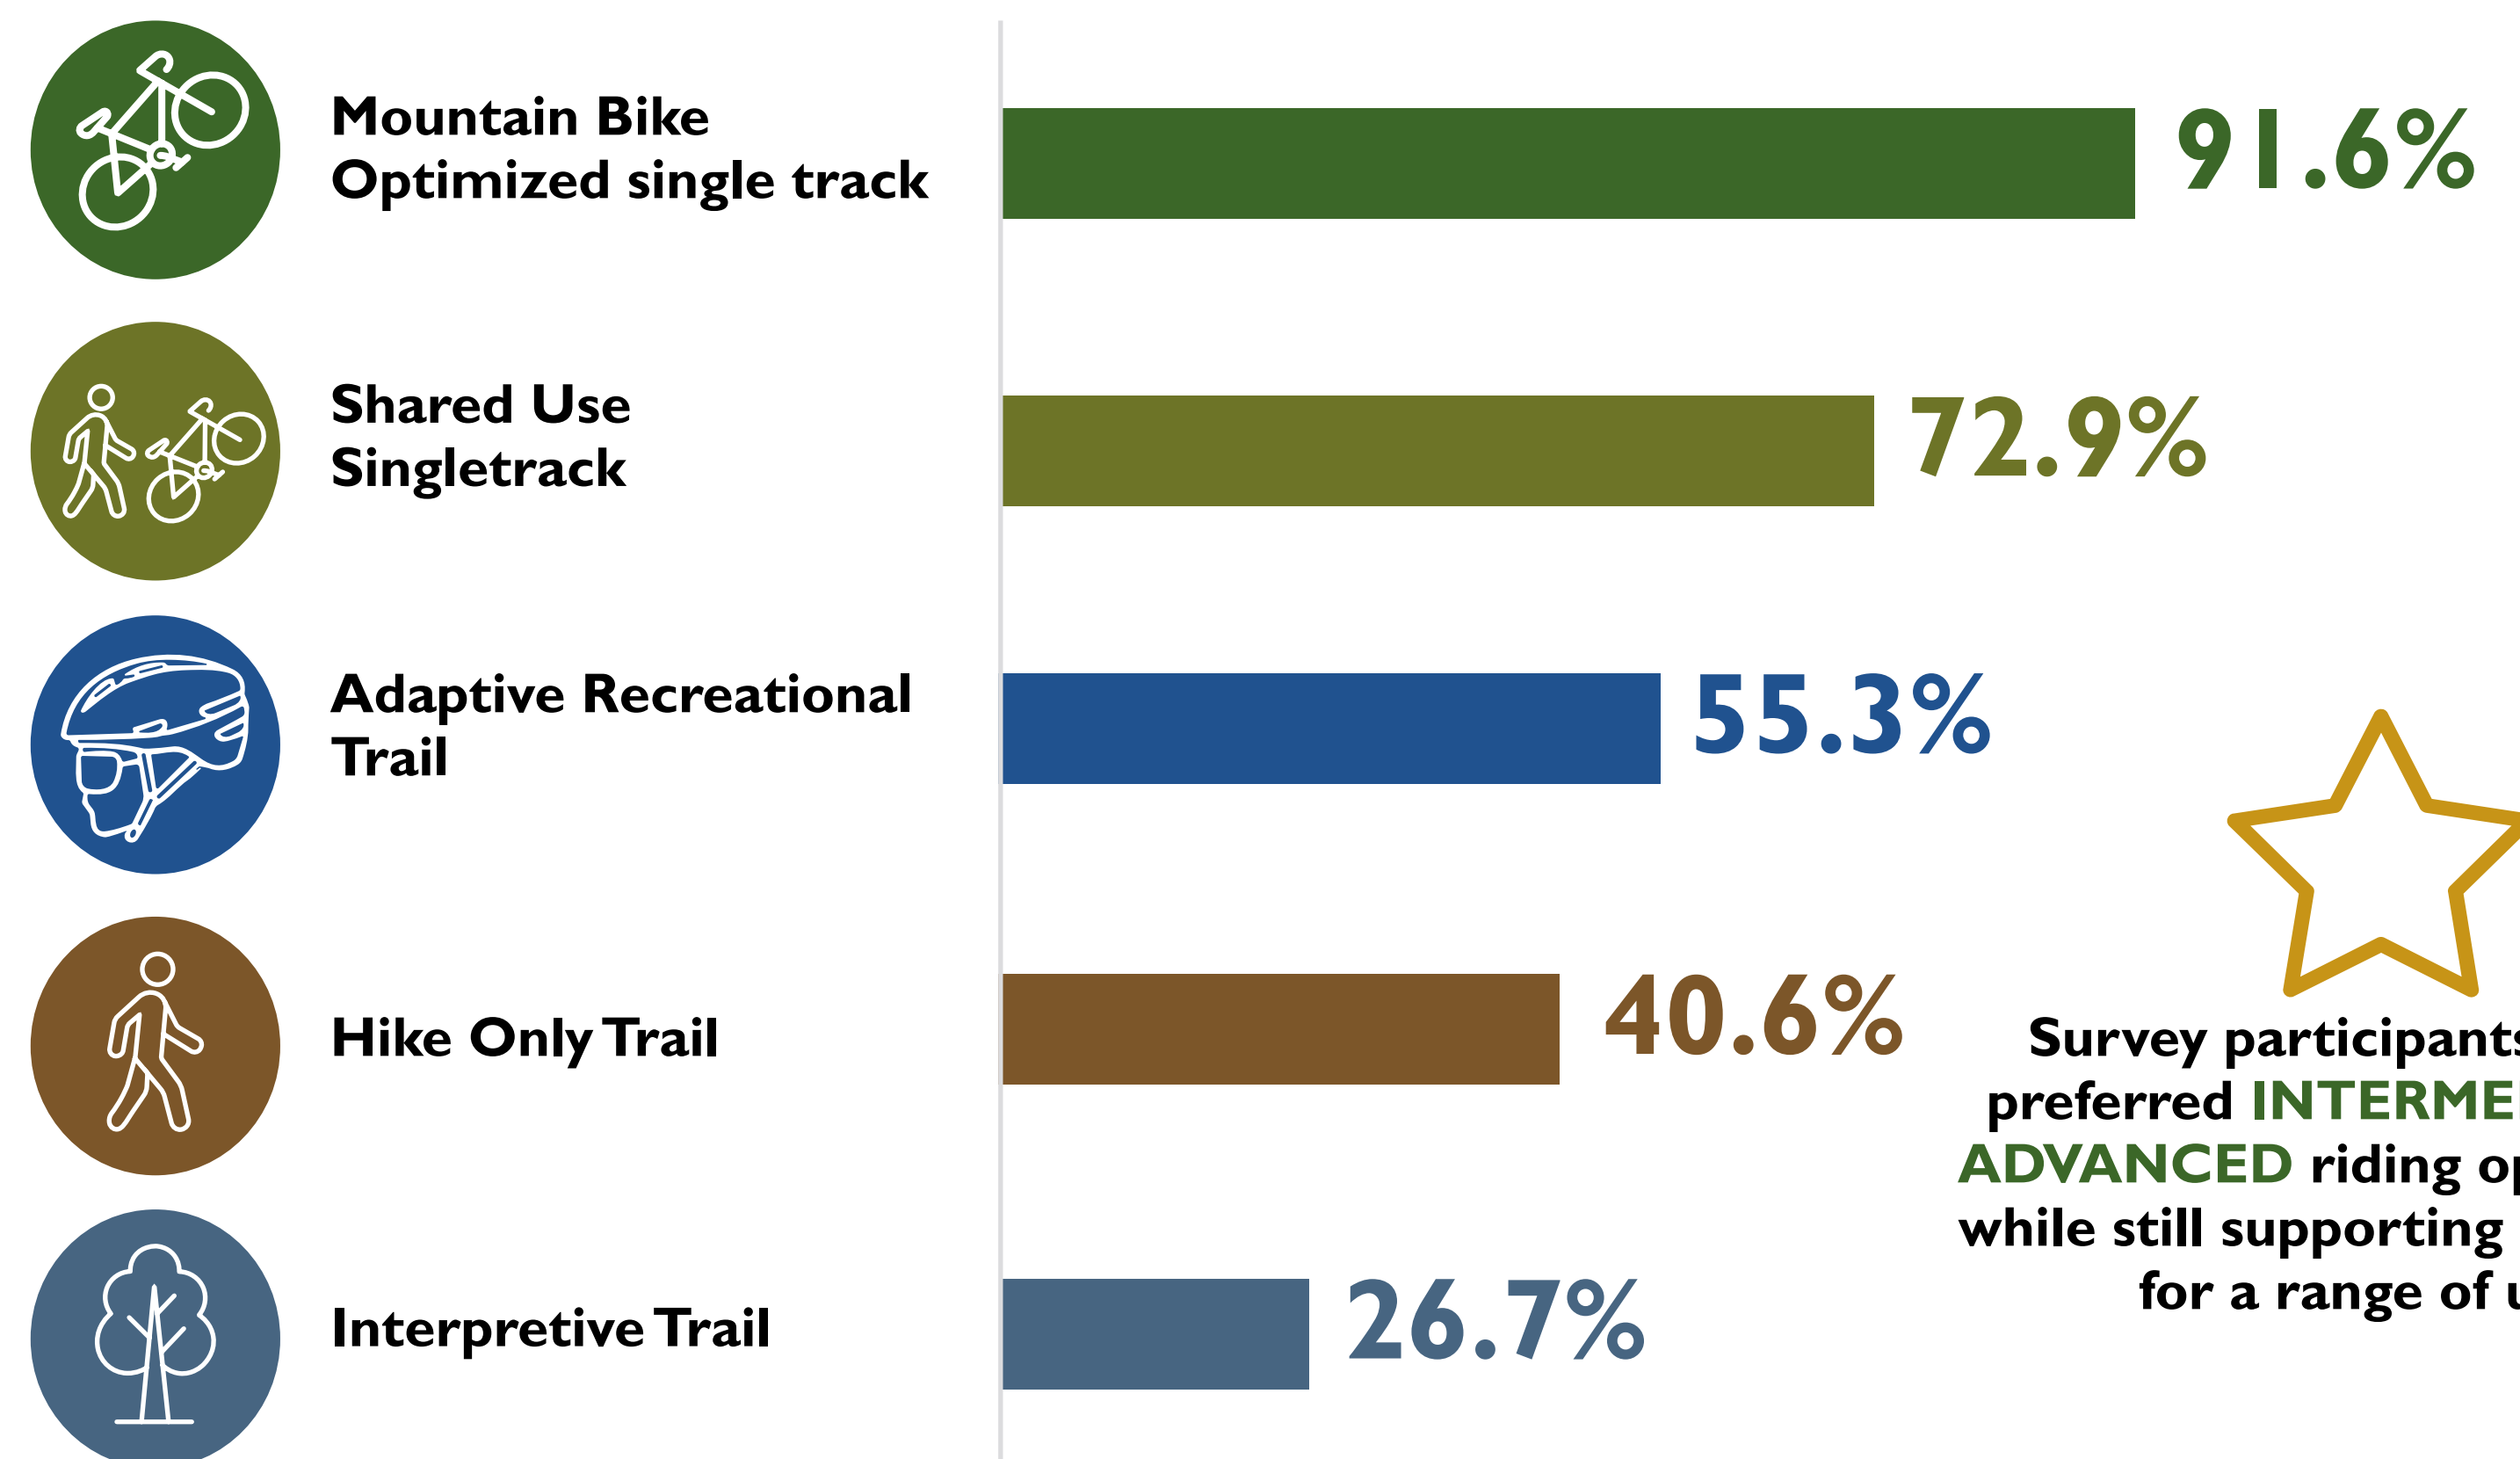

.....MOST IMPORTANT AMENITIES.....

COMMUNITY GOAL

Create a trail system that serves riders of multiple abilities while preserving the site's natural character.

.....COMMUNITY PRIORITIES.....

Survey participants strongly preferred **INTERMEDIATE** and **ADVANCED** riding opportunities while still supporting experiences for a range of users.

.....KEY FINDINGS.....

72% of participants would use a trailhead that would be located at Lake Crabtree.

Signage and Wayfinding was ranked as the most important amenity.

Strong Support for mountain bike optimized trails

112 of 141 voters support pursuing grant funding

1

Develop a mountain bike optimized trail network.

2

Include shared use opportunities where appropriate.

3

Build an accessible trailhead with quality amenities.

4

Provide intermediate and advanced riding experiences.

5

Preserve the site's natural character while expanding recreation.
