

Crowder County Park OCTOBER PROGRAMS

Forest Folklore

Wednesday, Oct. 7, 2-3 p.m.

All over the world, there are people who tell stories about the forests and the plants and animals that live there. Gather around at Crowder to listen to some stories about the forest from cultures near and far, and to come up with some folklore for our very own forest! Best for **ages 5-10**. Meet at the **Robin Shelter**.

Trees in the Fall

Sunday, Oct. 11, 2-3 p.m.

Why do the leaves on some trees change color in autumn? How do we identify trees whose leaves have fallen? Take a hike with a park naturalist and learn about North Carolina's native trees. For **ages 7+**. Meet at the **Park Office**, the first building on the left as you enter the park.

Tiny Tots: *Bat Loves the Night*

Monday, Oct. 19, 10:15-11 a.m.

We hope your tiny tots can join us for a fun story time with a craft activity! This month we are reading *Bat Loves the Night*, by Nicola Davies. For **ages 6 and under**, with adult accompaniment. Meet at the **Cardinal Shelter**.

Nocturnal Animals

Thursday, Oct. 29, 5:30-6:30 p.m.

Have you ever been curious as to what comes alive after dark? Join us to learn all about what our local critters do when the sun goes down, and help us discover some out in the park. **For all ages**. Meet at the **Upper Pavilion**, to the left of the upper playground.
