

Mature Driver Course

How Drivers 55+ Can Take the Course Together

Before You Begin:

- ✓ Each person must create **their own account**
 - ✓ **You must use the same email address**
 - ✓ Each person must **create a different username**
 - ✓ Each person must **pay separately**
-
- ✓ Both participants must **complete the course** under **their own login** to receive a certificate

Step-by-Step: How to Take the Course Together

STEP 1 – Register Person #1

- Create account
- Pay for the course
- Log in under Person #1's account

STEP 2 – Complete the Course Together

- Sit together and read/watch/listen to **all** lessons
- Finish the course under Person #1's login

STEP 3 – Log Out

- Click the **Logout** button at the top of the course
- Completely log out before switching accounts

STEP 4 – Register Person #2

- Create a new account
- Use same email
- Create a **different** username
- Pay for Person #2

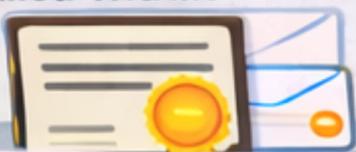

STEP 5 – Complete Person #2's Course

- Log in under Person #2
- Click through the course
- Since you already completed it together, there is **no need to re-take the course**

Certificates

- Each person receives their own certificate:
- Certificates are emailed within **approximately 3 business days**
- Submit to your insurance company

Helpful Reminders

- ! Always log out before switching users
- ! Make sure each person completes the course: under their own account
- ! Double-check you are logged into the correct profile
